No Child Left Behind Act of 2001
LOCAL EDUCATIONAL AGENCY PLAN
Revised 2015-2016

mail original and two copies to: **California Department of Education**
School and District Accountability Division
1430 N Street, Suite 6208
Sacramento, California 95814-5901

LEA Plan Information:

Name of Local Educational Agency (LEA): Plaza Elementary School District

County/District Code: 11-62638

Dates of Plan Duration (should be five-year plan):2012-2017

Date of Local Governing Board Approval: Original Board approval May 13, 2003
Revision approved: April 25, 2016

District Superintendent: Patrick Conklin

Address: 7322 County Rd. 24

City: Orland

Zip code: 95963

Phone: (530) 865-1250 x 33

Fax: 530-865-1252

Signatures (Signatures must be original. Please use blue ink.)

The superintendent and governing board of the LEA submitting the application sign on behalf of all participants included in the preparation of the plan.

Development Process for the LEA Plan

LEA Plan Planning Checklist

Federal and State Programs Checklist

District Budget for Federal and State Programs

Background

The No Child Left Behind (NCLB) Act of 2001 embodies four key principles:

- stronger accountability for results;
- greater flexibility and local control for states, school districts, and schools in the use of federal funds
- enhanced parental choice for parents of children from disadvantaged backgrounds, and
- a focus on what works, emphasizing teaching methods that have been demonstrated to be effective.

(Text of the legislation can be found at <http://www.cde.ca.gov/nclb/fr/>.)

In May 2002, California's State Board of Education (SBE) demonstrated the state's commitment to the development of an accountability system to achieve the goals of NCLB by adopting five **Performance Goals**:

- 1. All students will reach high standards, at a minimum attaining proficiency or better, in reading and mathematics, by 2020.**
- 2. All limited-English-proficient students will become proficient in English and reach high academic standards, at a minimum attaining proficiency or better in reading/language arts and mathematics.**
- 3. By 2005-2006, all students will be taught by highly qualified teachers.**
- 4. All students will be educated in learning environments that are safe, drug-free, and conducive to learning.**
- 5. All students will graduate from high school.**

In addition, 12 performance indicators linked to those goals were adopted (see Appendix A), as specified by the U.S. Department of Education (USDE). Performance targets, developed for each indicator, were adopted by the SBE in May 2003.

Collectively, NCLB's goals, along with the performance indicators and targets, constitute California's framework for ESEA accountability. This framework provides the basis for the state's improvement efforts, informing policy decisions by SBE, and implementation efforts by CDE to fully realize the system envisioned by NCLB. It also provides a basis for coordination with California's Legislature and the Governor's Office.

Since 1995, California has been building an educational system consisting of five major components:

- rigorous academic standards
- standards-aligned instructional materials
- standards-based professional development
- standards-aligned assessment

- an accountability structure that measures school effectiveness in light of student achievement.

As a result, California is well positioned to implement the tenets of NCLB.

State and federally funded initiatives aimed at improving student achievement must complement each other and work in tandem in order to have the greatest impact. In California, the state and federal consolidated applications, competitive grants, the state accountability system, the Categorical Program Monitoring process, **local educational agency plans**, professional development opportunities, and technical assistance all are moving toward a level of alignment and streamlining. The result of this consolidation will be to provide a cohesive, comprehensive, and focused effort for supporting and improving the state's lowest-performing schools and appropriate reporting mechanisms.

Descriptions of the Consolidated Application, the Local Education Agency Plan, and the Categorical Program Monitoring

In order to meet legislative requirements for specific state and federal programs and funding, California currently employs four major processes: the Consolidated State Application, the Local Educational Agency Plan, the Single Plan for Student Achievement, and Categorical Program Monitoring. In 2013-2014 California started to use the Local Control and Accountability Plan (LCAP). California Education Code #52060 states that the governing board shall adopt a LCAP to be effective for three years and will include a description of the annual goals for each student and the specific actions to be taken to meet these goals. All other plans will reflect these academic and financial goals.

Below is a brief description of the ways in which these various processes currently are used in California.

The Consolidated Application (ConApp)

The Consolidated Application is the *fiscal* mechanism used by the California Department of Education to distribute categorical funds from various state and federal programs to county offices, school districts, and charter schools throughout California. The Consolidated Application Reporting System (CARS) is a data collection system to apply for Categorical Program funding and to report on the use of those funds. Three data collection periods have been established each year.

The Single Plan for Student Achievement (School Plan)

State law requires that school-level plans for programs funded through the Consolidated Application be consolidated in a *Single Plan for Student Achievement (Education Code Section 64001)*, developed by schoolsite councils with the advice of any applicable school advisory committees. LEA's allocate NCLB funds to schools through the Consolidated Application for Title I, Part A, Title III (Limited English Proficient), and Title V (Innovative Programs/Parental Choice). LEA's may elect to allocate other funds

to schools for inclusion in school plans. The content of the school plan includes school goals, activities, and expenditures for improving the academic performance of students to the proficient level and above. The plan delineates the actions that are required for program implementation and serves as the school's guide in evaluating progress toward meeting the goals.

The Local Educational Agency Plan (LEA Plan)

The approval of a Local Educational Agency Plan by the local school board and State Board of Education is a requirement for receiving federal funding subgrants for NCLB programs. The LEA Plan includes specific descriptions and assurances as outlined in the provisions included in NCLB. In essence, LEA Plans describe the actions that LEAs will take to ensure that they meet certain ***programmatic*** requirements, including student academic services designed to increase student achievement and performance, coordination of services, needs assessments, consultations, school choice, supplemental services, and services to homeless students, and others as required. In addition, LEA Plans summarize assessment data, school goals and activities from the *Single Plans for Student Achievement* developed by the LEA's schools.

Categorical Program Monitoring (CPM)

State and federal law require CDE to monitor the implementation of categorical programs operated by local educational agencies. This state-level oversight is accomplished in part by conducting on-site reviews of eighteen such programs implemented by local schools and districts. Categorical Program Monitoring is conducted for each district once every four years by state staff and local administrators trained to review one or more of these programs. The purpose of the review is to verify ***compliance*** with requirements of each categorical program, and to ensure that program funds are spent to increase student achievement and performance.

Development Process for the LEA Plan

LEAs must develop a single, coordinated, and comprehensive Plan that describes the educational services for all students that can be used to guide implementation of federal and state-funded programs, the allocation of resources, and reporting requirements. The development of such a plan involves a continuous cycle of assessment, parent and community involvement, planning, implementation, monitoring, and evaluation. The duration of the Plan should be five years. The Plan should be periodically reviewed and updated as needed, but at least once each year.

In developing the Plan, the LEA will review its demographics, test results, performance, and resources. Given that the majority of such information is readily available in the School Accountability Report Card (SARC), the Standardized Testing and Reporting (STAR) performance results, the Academic Performance Index (API) results, and other data sources, the LEA will find the data easy to access via the Internet. (See Appendix B for links to each of the web sites containing student and staff demographic information, SARC, STAR, and API data.)

The LEA is expected to gather and review its own information from these resources and use it to inform the planning process.

The LEA Plan can serve as a summary of all existing state and federal programs and establish a focus for raising the academic performance of all student groups to achieve state academic standards. In the context of this plan, improvements in instruction, professional development, course offerings, and counseling and prevention programs are means of achieving specific academic and support services goals for all groups of students, including identified underperforming student groups. **Federal law requires that school site administrators, teachers and parents from the LEA (which includes direct-funded charter schools) must be consulted in the planning, development, and revision of the LEA Plan.**

The LEA Plan can be completed using the following recommended steps for plan development.

Step One: Measure the Effectiveness of Current Improvement Strategies

Analyze Student Performance

Conduct a comprehensive data analysis of student achievement, including multiple measures of student performance. Identify all relevant assessments and apply thoughtful analyses of current educational practices to establish benchmarks aimed at raising academic performance for all students, especially identified student groups.

Tables of data for your schools and district are available online:

- API Reports - <http://www.cde.ca.gov/ta/ac/ap>
- Standardized Testing and Reporting (STAR) data - <http://www.cde.ca.gov/ta/tg/sr>
- LEA Accountability Reports of Annual Measurable Achievement Objectives (AMAOs) for English learners - <http://www.cde.ca.gov/sp/el/t3/acct.asp>
- AYP Reports – <http://www.cde.ca.gov/ta/ac/ay>

Analyze Current Educational Practices, Professional Development, Staffing, and Parental Involvement

Identify, review, and analyze data and related information on factors such as educational practices, parent and community involvement, professional development, support services, and resources that have an impact on student learning.

Over the past several years, CDE has developed several self-assessment tools that schools and districts can use to evaluate these factors and others needed to support academic student achievement:

- The Academic Program Survey (APS) – school-level survey of status of implementation of the nine essential program components
- District Assistance Survey (DAS) – district-level survey of status of implementation of nine essential program components
- Least Restrictive Environment Assessment – to examine educational practices for students with disabilities

- English Learner Subgroup Self Assessment (ELSSA) – to improve outcomes for English Learners

These tools can be found in the Virtual Library on the CDE web site at <http://www.cde.ca.gov/ta/lp/vl/improvttools.asp>.

(See Part II, Needs Assessment, for further details.)

Step Two: Seek Input from Staff, Advisory Committees, and Community Members

Seek the input of teachers, administrators, councils, committees, and community members (e.g., school site council; school health council; committees for Limited English Proficient, state compensatory education, gifted and talented education, special education, etc.) The most effective plans are those supported by the entire LEA community. The integration of existing program plans, such as Immediate Intervention/Underperforming Schools Program, High Priority Schools Grant Program, Alternative Education Programs, Focus on Learning: Secondary School Accreditation, and others does not eliminate any program requirements. The combined process must include the requirements of every program involved.

Step Three: Develop or Revise Performance Goals

Using the five NCLB performance goals and indicators (see Appendix A), develop local performance targets that are: a) derived from school and student subgroup performance data and analysis of related, scientifically based educational practices; b) attainable in the period specified in this Plan and consistent with statewide targets for all students and subgroups; c) specific to the participants (i.e., students, teachers, administrators, paraprofessionals); and d) measurable.

Step Four: Revise Improvement Strategies and Expenditures

For **district-operated** programs, identify the participants, expected performance gains, and means of evaluating gains. Indicate specific improvements and practical monitoring of their implementation and effectiveness. For **school-operated programs**, summarize those same elements from approved *Single Plans for Student Achievement*.

Identify available resources. Aside from fiscal resources available through federal and state funding, programmatic resources are available on the CDE Web site at <http://www.cde.ca.gov>. The Consolidated Application provides funding for **district-operated programs** (including reservations from Title I for various purposes, Title II, Title IV, and Tobacco-Use Prevention) as well as for **school-operated programs** (including Title I, Parts A and D, Title III, Title V, School Improvement, Economic Impact Aid, and 10th Grade Counseling).

Step Five: Local Governing Board Approval

The LEA Plan must be approved by the local governing board prior to submittal to CDE. Ensure that all required signatures are affixed. All subsequent amendments should be approved by the local governing board and kept on file with the original LEA Plan.

Step Six: Monitor Implementation

To verify achievement of performance targets, monitor areas such as: a) assignment and training of highly qualified staff; b) identification of participants; c) implementation of services; d) provision of materials and equipment; e) initial and ongoing assessment of performance; and f) progress made toward establishing a safe learning environment.

The analysis of data (student, school-wide, support services, professional development) is part of the ongoing program monitoring and evaluation. When results are ***not*** as expected, it may be helpful to consider the following: a) how are performance targets and activities based on student performance and factual assessment of current educational practice? b) How educationally sound is the plan to help reach the targets? c) How timely and effectively is the plan being implemented? d) If the plan has not been implemented as written, what were the obstacles to implementation?

You may use the checklist on the next page to indicate planning steps as they are completed.

**PLANNING CHECKLIST
FOR LEA PLAN DEVELOPMENT**
(Optional)

✓	LEA Plan – Comprehensive Planning Process Steps
	1. Measure effectiveness of current improvement strategies
	2. Seek input from staff, advisory committees, and community members.
	3. Develop or revise performance goals
	4. Revise improvement strategies and expenditures
	5. Local governing board approval
	6. Monitor Implementation

FEDERAL AND STATE PROGRAMS CHECKLIST

Local Measures of Student Performance

Performance Goal 1

Performance Goal 2

Performance Goal 3

Performance Goal 4

Performance Goal 5

Additional Mandatory Title I Descriptions

Needs Assessment

The passage of NCLB imposes a number of significant new requirements on LEAs as conditions for funding provided at the state and local levels. Among these are reporting requirements designed to facilitate accountability for improving **student academic performance, teacher quality, and school safety**. As such, a needs assessment to determine strengths and weaknesses in these areas must be conducted.

In determining specific areas of need to be addressed in the Plan, the LEA should review its demographics, test results, and resources. The majority of such information is readily available on the LEA's School Accountability Report Card (SARC), the Standardized Testing and Reporting (STAR) performance results, the California English Language Development Test (CELDT) results, the Academic Performance Index (API) results, CBEDS, DataQuest, and other data sources. This data is easily accessible via the Internet (see Appendix B for links to each of the Web sites that contain student and staff demographic information, SARC, STAR, CELDT, and API data). The LEA is expected to gather and review its own information from these resources to determine strengths and needs and to shape the planning process.

Academic Performance

The needs assessment should include a focus on the academic areas highlighted in California's Performance Goals 1, 2, 3, and 5 (see Appendix A for a full listing of all of California's Performance Goals and Indicators), including:

- Statewide standards, assessment, and accountability
- Local assessments and accountability
- Coordination and integration of federal and state educational programs
- The LEA academic assessment plan

Teacher Quality

Another component of the needs assessment should examine local needs for professional development and hiring. LEA teachers and administrators should participate in this process to identify activities that will provide:

- teachers with the subject matter knowledge and teaching skills to provide all students the opportunity to meet challenging state academic achievement standards, and
- principals the instructional leadership skills to help teachers provide all students the opportunity to meet the state's academic achievement standards.

School Safety and Prevention

The LEA needs assessment also focuses on Performance Goal 4 (see Appendix A). It is based on an evaluation of objective data regarding the incidence of violence, alcohol, tobacco, and other illegal drug use in the elementary and secondary schools and the communities to be served. It includes the objective analysis of the current conditions and consequences regarding violence, alcohol, tobacco, and other illegal drug use, including delinquency and serious discipline problems, among students who attend such schools (including private school students who participate in the drug and violence prevention program). This analysis is based on ongoing local assessment or evaluation activities (Sec. 4115 (a)(1)(A). California's Healthy Kids Survey may

also provide useful information in this area. The Survey is available at http://www.wested.org/pub/docs/chks_survey.html.

Descriptions – District Planning

Once local strengths and needs are identified as a result of examining and evaluating current district-level data, specific descriptions can be written of how program goals will be implemented to improve student academic achievement. **On the pages that follow, the LEA will provide descriptions and information about how it plans to address the requirements of NCLB based upon results of the needs assessment.** Collectively, these descriptions, along with the Assurances in Part III of this document, comprise the LEA Plan.

District Profile

In the space below, please provide a brief narrative description of your district. Include your district's vision/mission statement and any additional information about the make-up of your district, including grade levels and demographics of students served, in order to provide background and a rationale for the descriptions included in the LEA Plan.

Plaza Elementary is a small single school district located in Glenn County several miles from Orland, California. It is the oldest school in Glenn County established in 1865. It was originally named Placer School. However, soon after it was established a large group of settlers from Missouri came to the area and began to pronounce the name of the school in their accent and it has been pronounced Plaza ever since!

The district is in a rural area of the county surrounded by farms and orchards. Plaza serves 190 students in grades kindergarten through eighth grade, all of which are single grades as of this school year.

School Vision: Plaza students, parents, and staff will strive for high quality student work within a safe, enriched environment, utilizing a variety of resources and strategies. To fulfill this vision students and staff at Plaza will engage in and be committed to the learning process. Students will be afforded with the social, educational, and technical support necessary to enhance their academic experience. Students will have access to multiple resources to locate, evaluate, process, and then effectively communicate information. The Plaza staff is dedicated to the student's school life and will model for each and every one of them the way we work, teach, and learn.

Mission Statement: Plaza is dedicated to the ongoing utilization of all our resources at our disposal in order to develop and successfully maintain the best possible learning environment for our students.

Plaza is committed to the pursuit of strong, informed, insightful leadership in all areas as the foundation for a safe effective school setting for students to acquire and have an understanding of their place in a real world context for learning; connections to a global learning environment and the ability to apply what they learn to benefit themselves and those living around them. Plaza Elementary is dedicated to the core principal that all students, given the appropriate guidance by teachers and parents will maximize their learning potential.

Local Measures of Student Performance (*other* than State-level assessments)

Per NCLB Section 1112 regarding Local Educational Agency Plans, each LEA must provide the following descriptions in its Plan:

A description of high-quality student academic assessments, if any, that are in addition to the academic assessments described in the State Plan under section 1111(b) (3).

Plaza teachers use a variety of grade-appropriate assessment as an integral part of their instruction. These include:

- Unit and chapter tests contained in the State approved text book series for each academic course of study.
- The “California Treasures” assessments
- RESULTS assessments at grades K-6. These include a spelling inventory, lexile reading inventory, and oral text reading.
- Accelerated Reader STAR assessments to determine individual reading levels and comprehension quizzes whenever students have finished a book on the AR reading list.
- Macmillan/McGraw Hill fluency and comprehension tests
- GoMath and College Preparatory Math (CPM) assessments
- Smarter Balanced Assessments, including Summative Assessments and Interim Assessments.

Performance Goal 1: *Students in grades K-8 will increase academic achievement in all areas.*

Planned Improvement in Student Performance in Reading

(Summarize information from district-operated programs and approved school-level plans)

Description of Specific Actions to Improve Education Practice in Reading	Persons Involved/ Timeline	Related Expenditures	Estimated Cost	Funding Source
<p>1. Alignment of instruction with content standards:</p> <p>The experienced teachers at each grade level have organized their yearly programs of instruction to insure that students are working towards mastery of the reading content standards for each grade level.</p> <p>A standards based report card is used to report on levels of mastery. A Single Plan For Student Achievement has been developed with the assistance of the School Site Council and includes assessment data and goals for instruction. We also have a Local Control and Accountability Plan which is aligned with the goals of the other plans.</p>	<p>Classroom teachers Administration Instructional Aides Parents</p>	<p>Salaries Professional Development release time and costs</p>	<p>\$863,916.62 \$1,500</p>	<p>Title I General Budget Title II REAP</p>
<p>2. Use of standards-aligned instructional materials and strategies:</p> <p>Grades K-6 use the State adopted textbook series “California Treasures” by Macmillan/McGraw Hill 2009-10 Grades 7 & 8 use the Glencoe/McGraw Hill series Teachers have been involved in trainings sponsored by the Glenn County Office of Education Curriculum Department and publisher sponsors.</p>	<p>Classroom Teachers Instructional Aides Parents</p>	<p>Instructional materials budget and Professional Development budgets Teacher release time</p>	<p>\$27,500 \$1,500</p>	<p>General Fund instructional materials fund Professional development funds</p>

<p>3. Extended learning time: Students identified as performing below proficient receive assistance in small groups or individually with the assistance of Instructional Aides and parent volunteers. The Education Specialist and aide provide assistance for students in accordance with the Individual Educational Plan (IEP) for each identified student. They will also provide assistance for other students identified through Title I</p> <p>Plaza School adopted the after school program formerly known as SPARK. Plaza School's after school program allows student time to complete homework assignments under the direction of the aides, two of which are instructional aides who work in the classroom daily.</p> <p>A summer school funded with Glenn County SPARK funds works with identified students for three weeks in June. For the summer 2016 session, the program will be held the two weeks prior to school starting in order to get students prepared for the upcoming year.</p>	<p>Title I Aides, Classroom Instructional Aides, Special Education staff, SPARK staff, volunteer regular education teachers working in a three week summer school program.</p>	<p>Aide salaries, Special education salaries, after school and summer school program employees</p>	<p>\$155,999</p>	<p>Title I Title II SELPA salaries Glenn County SPARK funds</p>
--	--	--	------------------	---

<p>4. Increased access to technology: Classroom computers are available in each grade. Two computer carts with laptop computers are shared between rooms. Internet access is available throughout the school. Projection equipment such as Document Cameras are available for each teacher to use. Computerized programs such as Accelerated Reading and Zingy Science are available in each class.</p> <p>A technology plan is being developed to address ongoing technology needs, which includes ensuring enough devices are available, devices are in good working conditions, and students and staff are knowledgeable of how to utilize technology for educational purposes.</p>	<p>Administration, teachers, aides</p>	<p>Purchase of hardware and software. Central server and County Tech support.</p>	<p>\$23,755</p>	<p>General Fund, Rural Educational Achievement Awards, CTAP funding, Technology grants</p>
<p>5. Staff development and professional collaboration aligned with standards-based instructional materials: Minimum days are built into each year's calendar for professional development. In 2015-2016 these days will be used to develop</p>	<p>Teachers, aides, administrators, County Office of Education trainers.</p>	<p>Release time for grade level training as needed</p>	<p>\$1,500</p>	<p>General fund, categorical budgets</p>

<p>a research based intervention model to address reading fluency, comprehension, and writing. All teachers will participate in a county wide professional development day.</p>				
<p>6. Involvement of staff, parents, and community (including notification procedures, parent outreach, and interpretation of student assessment results to parents):</p> <ul style="list-style-type: none"> • The School Site Council is the formally elected body of parents and staff. Among their duties is to evaluate all assessment data and recommend steps to align curriculum to meet this data. • Each parent will receive data on their children’s performance on the State tests including information on how to interpret the data. • Parent conferences are held each fall. Parents meet individually with their child’s teacher to discuss state test assessments and local class work and assessments. • The School Accountability Report Card is issued each spring with a variety of information about assessments and school programs. 	<p>Classroom teachers, administrators, School Site Council, Parents</p>			<p>Categorical funds, general funds.</p>
<p>7. Auxiliary services for students and parents (including transition from preschool, elementary, and middle school):</p> <ul style="list-style-type: none"> • Back to School Night held each fall to introduce staff and explain class expectations. • Community Club meets monthly to plan fund raising and programs designed to enhance the child’s educational activities. • Parent handbooks are sent home in the fall and communications from the administration and teachers are on-going. • Pirate’s Post newsletter is sent home monthly with school community information. 	<p>Administration, office staff, teachers, community club members, aides</p>			<p>General fund, community club finances</p>

<p>8. Monitoring program effectiveness:</p> <ul style="list-style-type: none"> • The Single Plan For Student Achievement will be developed and approved by the SSC and contain assessment data and program alignment or changes • AYP and API scores obtained from the State assessment will be analyzed and incorporated into program alignment. • CELDT testing will track grow of English Learners • Regular classroom assessments and assignments • SBA Interim Assessments • AR assessment data. 	<p>Teacher, Administrator, School Site Council</p>			<p>Title III, General budget</p>
<p>Description of Specific Actions to Improve Education Practice in Reading</p>	<p>Persons Involved/ Timeline</p>	<p>Related Expenditures</p>	<p>Estimated Cost</p>	<p>Funding Source</p>
<p>9. Targeting services and programs to lowest-performing student groups:</p> <ul style="list-style-type: none"> • Title I will provide Instructional Aides and materials to assist low performing students. Individual instruction and small group work will extend the instructional day in reading. • The County SPARK after school program to assist students with supervised homework was adopted by Plaza School. • A 3.75 hour instructional aide was hired to work with the Learning Specialist to serve Title I and IEP students. 	<p>Title I staff, SPARK staff, SELPA staff</p>			<p>Title I and County Office of Education office.</p>

<p>10. Any additional services tied to student academic needs:</p> <ul style="list-style-type: none">• A research based intervention model implemented in 1st-7th grade to focus on reading fluency and comprehension, as well as writing.				
--	--	--	--	--

Performance Goal 1: *Students in grades K-8 will increase academic achievement in all areas.*

Planned Improvement in Student Performance in Mathematics

(Summarize information from district-operated programs and approved school-level plans)

Description of Specific Actions to Improve Education Practice in Mathematics	Persons Involved/ Timeline	Related Expenditures	Estimated Cost	Funding Source
<p>1. Alignment of instruction with content standards:</p> <ul style="list-style-type: none"> • The teachers use the state academic standards as the basis for their instruction and assessment programs on a daily basis. • A standards-based report card is use to track student mastery of each standard. • The Single Plan For Student Achievement and the Local Control and Accountability plan contain assessment data and goals for achievement in math. 	<p>Teachers, Aides, Administrator</p>			<p>Categorical budget, general budget</p>
<p>2. Use of standards-aligned instructional materials and strategies: The Plaza staff uses the most recent state approved instructional materials program as the core to mathematics instruction. Grades K-5 use Houghton Mifflin Harcourt GoMath. Grades 6-8 use the College Preparatory Mathematics. Both series were purchased for the 2014-15 year.</p>	<p>Teachers</p>	<p>Textbooks and supplementary materials</p>	<p>\$51,785</p>	<p>Instructional materials budget</p>
<p>3. Extended learning time: Federal Title I funds are used to provide instructional aides that work with students performing below grade level standards. They will work with individuals and small groups in the classroom and for extended periods outside the normal math period. The Glenn County Office of Education provides a Learning Specialist and aide to work with students that have IEPs requiring additional assistance for specific learning goals. Parent volunteers work with individual students under the teacher's direction on mathematics skills.</p>	<p>Classroom staff, SELPA, school administration</p>	<p>Salaries</p>	<p>\$91,600</p>	<p>Title I, Special Education, community club funds</p>

Description of Specific Actions to Improve Education Practice in Mathematics	Persons Involved/ Timeline	Related Expenditures	Estimated Cost	Funding Source
<p>4. Increased access to technology: Computers and iPads are available for student use in each classroom and two lap top carts are shared with several of the rooms. An online program called Splash Math is being used by all K-5 classrooms, as well as our Learning Center working with Title I and IEP students.</p>	Classroom teacher, administration,	Cost for technology	\$12,958	REAP
<p>5. Staff development and professional collaboration aligned with standards-based instructional materials:</p> <ul style="list-style-type: none"> • The Glenn County Office of Education Curriculum Department has provided training for staff on the use of the instructional materials. • Minimum days are built into the school year for staff professional development. 	Teachers, GCOE curriculum staff, administration	Release time and substitute pay	\$2,000	Categorical funds, REAP,
<p>6. Involvement of staff, parents, and community (including notification procedures, parent outreach, and interpretation of student assessment results to parents):</p> <ul style="list-style-type: none"> • The School Site Council looks at assessments each year and makes recommendations on changes in our program • All parents receive data each year on the State Assessments their children have taken. • Parents are invited to a “Back to School Night” each fall. At this event the teachers will explain the academic goals to be introduced and the expectations for the students and what the parents can expect in the coming year. • Parents are invited to a conference at the end of the first trimester. During this conference the teacher will review the academic standards to be mastered and the student’s progress in meeting them. 	School Site Council, teachers, administrators,			Categorical funds, unrestricted budget
<p>7. Auxiliary services for students and parents (including transition from preschool, elementary, and middle school):</p> <ul style="list-style-type: none"> • Parents are invited to a series of events throughout the year that encourage involvement in class and school-wide activities. Staff provided through the Title I program and special education will provide extra assistance to students. 	Teachers, Title I staff, administration, SELPA			Title I, general fund, SELPA funds

<ul style="list-style-type: none"> 8th grade students attend freshman orientation for local high schools. 				
<p>8. Monitoring program effectiveness:</p> <ul style="list-style-type: none"> State standards test results are made available to parents and staff in September. Individual and group progress in meeting the academic standards is included in this report. RESULTS assessment results and classroom homework and quizzes are studied to rate academic growth and to help plan the teacher's lessons for mathematics. A School Accountability Report Card is posted online in the early spring containing information on assessments and academic data gathered by the State and local staff are included in this report A Single Plan for Student Achievement and Local Control and Accountability Plan are developed each fall with the assistance of the School Site Council and local staff containing a variety of assessment data and goals for the coming year. Staff professional development minimum days are built into the schedule with the specific purpose of addressing program effectiveness and improvement. 	<p>Teachers, School Site Council, administration,</p>			<p>General funds, categorical funds</p>
<p>Description of Specific Actions to Improve Education Practice in Mathematics</p>	<p>Persons Involved/ Timeline</p>	<p>Related Expenditures</p>	<p>Estimated Cost</p>	<p>Funding Source</p>
<p>9. Targeting services and programs to lowest-performing student groups:</p> <ul style="list-style-type: none"> Title I funds will provide an Instructional Aide to work with individuals and small groups at each grade level that have scored below proficient on the latest State Standards Test. A summer school will run for two weeks before the regular school year begins. Students identified as scoring below proficient on the CST will be invited to attend. Learning Specialist will work with students that have an active IEP and Title I students. 	<p>Title I staff, SELPA staff, SPARK summer school staff</p>	<p>Aide salaries Summer School staff salaries</p>	<p>\$100,832</p>	<p>Title I, SELPA, SPARK</p>

10. Any additional services tied to student academic needs:				
---	--	--	--	--

Performance Goal 2: *Increasing the percentage of English Learners achievement proficiency in reading/language arts and mathematics.*

Planned Improvement in Programs for LEP Students and Immigrants (Title III)
 (Summarize information from district-operated programs and approved school-level plans)

		Description of how the LEA is meeting or plans to meet this requirement.
Required Activities	1. (Per Sec. 3116(b) of NCLB, this Plan must include the following: <ol style="list-style-type: none"> a. Describe the programs and activities to be developed, implemented, and administered under the subgrant; b. Describe how the LEA will use the subgrant funds to meet all annual measurable achievement objectives described in Section 3122; c. Describe how the LEA will hold elementary and secondary schools receiving funds under this subpart accountable for: <ul style="list-style-type: none"> ▪ meeting the annual measurable achievement objectives described in Section 3122; ▪ making adequate yearly progress for limited-English-proficient students (Section 1111(b)(2)(B)); ▪ annually measuring the English proficiency of LEP students so that the students served develop English proficiency while meeting State Academic standards and student achievement (Section 1111(b)(1)); d. Describe how the LEA will promote parental and community participation in LEP programs. 	<p>Plaza has 24 students in grades K through 8th whose home language survey indicated a language other than English was spoken at home. The English proficiency of these students was assessed using the CELDT language assessment.</p> <p>Because of the small number of students scattered throughout the grades there is no program used to assist them nor is there a teacher or assistant hired with Title III funds. All Classroom teachers have CLAD credentials and work with the students in the regular classroom. Translators are available when needed to work with parents.</p> <p>Parents and other family members are encouraged to take part in school activities. For example a group of Hispanic mothers provide Carnitas for the annual school carnival and dinner.</p>
	2. Describe how the LEA will provide high quality language instruction based on scientifically based research (per Sec. 3115(c) . The effectiveness of the LEP programs will be determined by the increase in: <ul style="list-style-type: none"> • English proficiency; and • Academic achievement in the core academic subjects 	<p>Each fall English Learners are tested to determine their proficiency in English. When appropriate they are reclassified as fluent. Students new to Plaza also are tested for language proficiency. All students receive academic instruction in their regular classroom. An Aide will work with them individually or in small groups as necessary. The levels of academic achievement are determined by daily assignments, Chapter tests, RESULTS testing and the California Standards Test.</p>

		Description of how the LEA is meeting or plans to meet this requirement.	
Required Activities	<p>3. Provide high quality professional development for classroom teachers, principals, administrators, and other school or community-based personnel.</p> <ul style="list-style-type: none"> a. designed to improve the instruction and assessment of LEP children; b. designed to enhance the ability of teachers to understand and use curricula, assessment measures, and instruction strategies for limited-English-proficient students; c. based on scientifically based research demonstrating the effectiveness of the professional development in increasing children’s English proficiency or substantially increasing the teachers’ subject matter knowledge, teaching knowledge, and teaching skills; d. long term effect will result in positive and lasting impact on teacher performance in the classroom. 	<p>All teachers on the Plaza staff are CLAD certified by the State Credentialing Office. Any teachers hired by Plaza in the future will also meet this requirement. Teachers have taken classes and/or attended workshops designed to help meet the needs of LEP students. They will be encouraged to continue to do so in the future.</p> <p>Plaza staff also take advantage of professional development offered by the Glenn County Office of Education. GCOE offered a county wide professional development day for all staff to improve instructional strategies. Minimum days are built into our calendar for professional development with the focus on new math standards and curriculum.</p> <p>New teachers using CPM curriculum attend a workshop three times throughout the year.</p> <p>Teachers continue to work with the “Treasures” language arts program and have attended workshops provided by the County. Using these materials with LEP students is one of the points of emphasis.</p>	
	<p>4. Upgrade program objectives and effective instruction strategies.</p>	<p>Yes or No</p> <p>No</p>	<p>If yes, describe:</p>
Allowable Activities		Description of how the LEA is meeting or plans to meet this requirement.	

Allowable Activities	<p>5. Provide –</p> <ul style="list-style-type: none"> a. tutorials and academic or vocational education for LEP students; and b. intensified instruction. 	<p>Yes or No</p> <p>Yes</p>	<p>If yes, describe: All LEP students are placed in the regular education classes. If they are identified as not meeting standards, they receive additional assistance from our Education Specialist and/or Instructional Aides.</p>
	<p>6. Develop and implement programs that are coordinated with other relevant programs and services.</p>	<p>Yes or No</p> <p>No</p>	<p>If yes, describe:</p>
	<p>7. Improve the English proficiency and academic achievement of LEP children.</p>	<p>Yes or No</p> <p>Yes</p>	<p>If yes, describe:</p> <p>English proficiency is improved by daily interaction with the student’s peers and teachers. Teachers use training received in CLAD and other professional development classes to assist students in improving their language proficiency. Students identified as not meeting standards receive services with the Education Specialist.</p>

		Description of how the LEA is meeting or plans to meet this requirement.	
Allowable Activities	<p>8. Provide community participation programs, family literacy services, and parent outreach and training activities to LEP children and their families –</p> <ul style="list-style-type: none"> ○ To improve English language skills of LEP children; and ○ To assist parents in helping their children to improve their academic achievement and becoming active participants in the education of their children. 	<p>Yes or No Yes</p>	<p>If yes, describe: As a direct support district, Plaza relies on services provided by the Glenn County Office of Education for the families of LEP children throughout the County.</p>
	<p>9. Improve the instruction of LEP children by providing for –</p> <ul style="list-style-type: none"> ○ The acquisition or development of educational technology or instructional materials ○ Access to, and participation in, electronic networks for materials, training, and communication; and ○ Incorporation of the above resources into curricula and programs. 	<p>Yes or No Yes</p>	<p>If yes, describe: All students, including LEP students, have daily access to technology in their classrooms. The Accelerated Reader, Zingy Science, Splash Math, and other on-line curricular programs are incorporated into the academic programs at the appropriate grade levels. Glenn County Office of Education’s media center also provides technology, such as California Streaming.</p>
	<p>10. Other activities consistent with Title III.</p>	<p>Yes or No No</p>	<p>If yes, describe:</p>

Plans to Notify and Involve Parents of Limited-English-Proficient Students

<p>Parents of Limited-English-Proficient students must be notified: The outreach efforts include holding and sending notice of opportunities for regular meetings for the purpose of formulating and responding to recommendations from parents.</p>	<p>Description of how the LEA is meeting or plans to meet this requirement.</p>
<p style="text-align: center; writing-mode: vertical-rl; transform: rotate(180deg);">Required Activity</p> <ol style="list-style-type: none"> 1. LEA informs the parent/s of an LEP student of each of the following (per Sec. 3302 of NCLB): <ol style="list-style-type: none"> a. the reasons for the identification of their child as LEP and in need of placement in a language instruction educational program; b. the child’s level of English proficiency, how such level was assessed, and the status of the student’s academic achievement; c. the method of instruction used in the program in which their child is or will be, participating, and the methods of instruction used in other available, programs, including how such programs differ in content, instruction goals, and use of English and a native language in instruction; d. how the program in which their child is, or will be participating will meet the educational strengths and needs of the child; e. how such program will specifically help their child learn English, and meet age appropriate academic achievement standards for grade promotion and graduation; f. the specific exit requirements for such program, the expected rate of transition from such program into classrooms that are not tailored for limited English proficient children, and the expected rate of graduation from secondary school for such program if funds under this title are used for children in secondary schools; g. in the case of a child with a disability, how such program meets the objectives of the individualized education program of the child; 	<p>Parents are notified of the level of proficiency as determined by CELDT testing done annually. They are also notified of classroom procedures and expectations of the students. Teachers also meet individually with parents to discuss academic progress of their children. Title I students are represented when Student Advisory Committee votes to consolidate with SSC.</p>

		Description of how the LEA is meeting or plans to meet this requirement.
Required Activity	<ul style="list-style-type: none"> h. information pertaining to parental rights that includes written guidance detailing – <ul style="list-style-type: none"> i. the right that parents have to have their child immediately removed from such program upon their request; and ii. the options that parents have to decline to enroll their child in such program or to choose another program or method of instruction, if available; iii. the LEA assists parents in selecting among various programs and methods of instruction, if more than one program or method is offered by the LEA. 	Plaza does not offer special language pull out classes. All students are placed in a regular education program with adaptations to meet the learning needs of all.
<p>Note: Notifications must be provided to parents of students enrolled since the previous school year: not later than 30 days after the beginning of the schools year. If students enroll after the beginning of the school year, parents must be notified within two weeks of the child being placed in such a program.</p>		
<p>LEA Parent Notification Failure to Make Progress If the LEA fails to make progress on the annual measurable achievement objectives it will inform parents of a child identified for participation in such program, or participation in such program, of such failure not later than 30 days after such failure occurs.</p>		

Plans to Provide Services for Immigrants N/A for Plaza

<p>IF the LEA is receiving or planning to receive Title III Immigrant funding, complete this table (per Sec. 3115(e)).</p>		<p>Description of how the LEA is meeting or plans to meet this requirement.</p>	
<p style="writing-mode: vertical-rl; transform: rotate(180deg);">Allowable Activities</p>	<p>1. Family literacy, parent outreach, and training activities designed to assist parents to become active participants in the education of their children:</p>	<p>Yes or No</p>	<p>If yes, describe: N/A</p>
	<p>2. Support for personnel, including teacher aides who have been specifically trained, or are being trained, to provide services to immigrant children and youth:</p>	<p>Yes or No</p>	<p>If yes, describe: N/A</p>
	<p>3. Provision of tutorials, mentoring, and academic or career counseling for immigrant children and youth;</p>	<p>Yes or No</p>	<p>If yes, describe: N/A</p>

Allowable Activities	4. Identification and acquisition of curricular materials, educational software, and technologies to be used in the program carried out with funds:	Yes or No	If yes, describe: N/A
	5. Basic instruction services that are directly attributable to the presence in the school district involved of immigrant children and youth, including the payment of costs of providing additional classroom supplies, costs of transportation, or such other costs as are directly attributable to such additional basic instruction services:	Yes or No	If yes, describe: N/A
	6. Other instruction services designed to assist immigrant children and youth to achieve in elementary and secondary schools in the USA, such as programs of introduction to the educational system and civics education:	Yes or No	If yes, describe: N/A

Allowable Activities	7. Activities coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist parents of immigrant children and youth by offering comprehensive community services:	Yes or No	If yes, describe: N/A
----------------------	---	------------------	-------------------------------------

Performance Goal 3: Provide appropriately assigned and fully credentialed teachers with standards-aligned instructional materials in school facilities that are in good repair in order to fully implement academic content and performance standards in a broad course of study.

Summary of Needs and Strengths for Professional Development

Based on a needs assessment of teacher data for your district, include a narrative that describes areas of needed professional development and areas where adequate professional development opportunities exist.

[Description of activities under Title II, Part A, Subpart 1, Grants to LEA]

STRENGTHS	NEEDS
<p>Plaza is fortunate to have very competent staff that, for the most part, has been at the school for many years. Turnover is not a problem because the work environment and parent involvement is excellent. Although three new teachers were hired for the 2015-16 year, two of those positions were created this year when we eliminated the last two combination classes. For the first time in Plaza’s history, we have only straight grades.</p> <p>Last year three bilingual staff members were hired, including a classroom teacher.</p> <p>The Glenn County Office of Education has provided many opportunities for staff development and every teacher has taken advantage of this at some point in the year. For the past three years, GCOE has offered a county wide professional development day,</p>	<p>With an increase in enrollment, which led to an increase in the number of LEP students, we must address the limited ELD services available outside the regular education classroom.</p> <p>Hiring an instructional aide to work with LEP students this year has helped, however we still need to look at what changes we can make programmatically in order to increase language proficiency.</p> <p>Staff professional development opportunities to address ELD learning strategies that can be incorporated into classroom lessons.</p>

<p>which every district in the county participates.</p> <p>A new wireless tower was constructed last year that increased the bandwidth and speed. Last year we purchased additional iPads and laptops, and now have two full class sets of laptops. Many teachers continue to take advantage of professional development opportunities pertaining to technology.</p> <p>This year the administrator will learn about Google Apps for Educators with the intention of implementing it next school year.</p>	
--	--

Performance Goal 3: Provide appropriately assigned and fully credentialed teachers with standards-aligned instructional materials in school facilities that are in good repair in order to fully implement academic content and performance standards in a broad course of study.

Planned Improvements for Professional Development (Title II)

(Summarize information from district-operated programs and approved school-level plans)

Please provide a description of:	Persons Involved/ Timeline	Related Expenditures	Estimated Cost	Funding Source
<p>1. How the professional development activities are aligned with the State’s challenging academic content standards and student academic achievement standards, State assessments, and the curricula and programs tied to the standards.</p> <p>This year and last year’s minimum day professional development focused on teachers becoming familiar with the SBA summative and interim assessments and practiced with students, as well as state academic content standards. All staff attend a county wide professional development day hosted by GCOE.</p>	<p>GCOE Curriculum department, teachers, administrators</p>	<p>Release time as needed</p>	<p>Substitute pay at \$100 per day</p>	<p>REAP, General budget</p>

<p>2. How the activities will be based on a review of scientifically based research and an explanation of why the activities are expected to improve student academic achievement:</p> <p>The agenda for the trainings has not yet been discussed but the National Smarter Balanced Assessment Consortium will be a major source for resources and training.</p>	GCOE, CPM math training	Release time Cost of training other than GCOE	Substitute pay Training in technology fee-\$100 per teacher	Title II, REAP
Please provide a description of:	Persons Involved/ Timeline	Related Expenditures	Estimated Cost	Funding Source
<p>3. How the activities will have a substantial, measurable, and positive impact on student academic achievement and how the activities will be used as part of a broader strategy to eliminate the achievement gap that separates low-income and minority students from other students:</p> <p>The CELDT report listed 24 students at Plaza. These numbers indicate a very small population that is scattered among the grades and that many of them are successful in meeting academic standards. The academic strategy will be to incorporate all students in the regular academic program and provide small group or individual support by our Learning Specialist and/or instructional aides as needed.</p>	Classroom teacher, CELDT coordinator, administrator			EIA, general budget
<p>4. How the LEA will coordinate professional development activities authorized under Title II, Part A, Subpart 2 with professional development activities provided through other Federal, State, and local programs:</p> <p>The staff and administrator will meet and determine professional development activities for the year. As indicated earlier the Common Core Standards will be a major focus for the coming year as will the changeover to an on-line assessment program. Professional development will also focus on ELA and mathematic instructional strategies.</p>	Classroom teachers, administrator, GCOE curriculum department			General budget
<p>5. The professional development activities that will be made available to teachers and principals and how the LEA will ensure that professional development (which may include teacher mentoring) needs of teachers and principals will be met:</p>	Math training, "Treasures" workshops,	Release time and substitute pay	\$100 per day for each attendee	

<p>The staff and administrator will meet and determine professional development activities for the year. As indicated earlier the Common Core Standards will be a major focus for the coming year as will the changeover to an on-line assessment program. Professional development will also focus on ELA and mathematic instructional strategies.</p>	<p>minimum days, County wide in service on planned professional development day nonattendance day</p>			
---	---	--	--	--

Please provide a description of:	Persons Involved/ Timeline	Related Expenditures	Estimated Cost	Funding Source
<p>6. How the LEA will integrate funds under this subpart with funds received under part D that are used for professional development to train teachers to integrate technology into curricula and instruction to improve teaching, learning, and technology literacy:</p> <p>Substitute teachers will be hired in order for classroom teachers to attend professional development opportunities. Minimum days were built into the schedule for teacher professional development, with an emphasis on using strategies, including technology, to improve learning.</p>	<p>Staff, administration</p>	<p>Release time substitute pay</p>	<p>\$100 per day for each staff attending</p>	<p>Title II, REAP</p>
<p>7. How students and teachers will have increased access to technology; and how ongoing sustained professional development for teachers, administrators, and school library media personnel will be provided in the effective use of technology. (Note: A minimum of 25% of the Title II, Part D Enhancing Education through Technology funding must be spent on professional development.):</p> <p>Two lap top carts used to provide students access to lap tops. A set of iPads to be shared by primary staff. There are now enough laptops for two classroom sets and iPads for half of a class working in centers. District administrator will attend a Google Summit in order to better implement Google Apps for Educators.</p>	<p>Staff, administration</p>	<p>Cost of computers and carts, cost of iPads</p>	<p>\$23,755</p>	<p>REAP, general budget</p>
<p>8. How the LEA, teachers, paraprofessionals, principals, other relevant school personnel, and parents have collaborated in the planning of professional development activities and in the preparation of the LEA Plan:</p>	<p>Staff, administration, site council members</p>	<p>No additional charges required</p>		

<p>Planning is conducted during staff meetings and at school site council meetings. Professional development is discussed by the board of trustees during regularly scheduled public board meetings.</p>				
<p>Please provide a description of:</p>	<p>Persons Involved/ Timeline</p>	<p>Related Expenditures</p>	<p>Estimated Cost</p>	<p>Funding Source</p>
<p>9. How the LEA will provide training to enable teachers to:</p> <ul style="list-style-type: none"> □ Teach and address the needs of students with different learning styles, particularly students with disabilities, students with special learning needs (including students who are gifted and talented), and students with limited English proficiency; □ Improve student behavior in the classroom and identify early and appropriate interventions to help all students learn; □ Involve parents in their child's education; and □ Understand and use data and assessments to improve classroom practice and student learning. <p>Training is provided by GCOE Curriculum office. Back to School nights, parent conferences, web pages, e-mail, phone calls, and monthly newsletters are all available to help parents be involved in their child's education. Plaza School has a high rate of parent participation and volunteerism. The district administrator has an open door policy and welcomes any input from community members.</p>	<p>Staff, administration, GCOE staff</p>	<p>Release time</p>	<p>\$100 per day per teacher for substitutes</p>	<p>Title II, regular budget</p>
<p>10. How the LEA will use funds under this subpart to meet the requirements of Section 1119:</p>				

Performance Goal 4: *Provide a safe and welcoming climate for all stakeholders that includes parent input in decision making and promotes parent participation in student learning in order to improve school attendance rates.*

Environments Conducive to Learning (Strengths and Needs):

Please provide a list of the LEA’s strengths and needs regarding how students are supported physically, socially, emotionally, intellectually, and psychologically in environments that are conducive to learning, along with the LEA’s strengths and needs regarding student barriers to learning (e.g., attendance, mobility, and behavior).

STRENGTHS	NEEDS
<p>Plaza is a small rural school with little or no evidence a drug or alcohol abuse. The staff and parents work hard to provide a safe and supporting environment for students.</p> <p>The student population is very stable with most students attending from kindergarten through eighth grade.</p> <p>Class sizes are small so teachers are able to offer more individual help and encouragement to students.</p> <p>Parent volunteers provide assistance to teachers and staff at all grade levels.</p> <p>The Glenn County Office of Education offers support through psychologists, drug, tobacco, and alcohol prevention education, and other staff as needed.</p> <p>Plaza upper grades are involved in a sports program and is a part of a league with other small schools in the County.</p>	<p>The school’s isolated location and limited funds make access to cultural or educational programs outside the district difficult to attend.</p> <p>The district has no support staff other than Instructional Aides to provide additional help for students.</p>

Environments Conducive to Learning (Activities):

Please list the activities or programs supported by all NCLB or state funded programs that the LEA will implement to support students physically, socially, emotionally, intellectually, and psychologically in environments that are conducive to learning. Include programs and strategies designed to address students' barriers to learning (e.g. attendance and behavior). Include a copy of the LEA's code of conduct or policy regarding student behavior expectations.

ACTIVITIES

The Plaza Elementary Code of Conduct may be found in the Parent Handbook distributed to families in the fall of each school year. The goal is to assure a climate which is conducive to a good education program. Discipline policies have been developed to meet this goal and the Board of Trustees expects that each staff member will administer these policies with fairness to all students.

Needs and Strengths Assessment (4115(a)(1)(A)):

Based on data regarding the incidence of violence and alcohol, tobacco, and other drug use in the schools and communities to be served, and other qualitative data or information, provide a list of the LEA’s strengths and needs related to preventing risk behaviors.

STRENGTHS	NEEDS
<p>There have been no incidents of violence or abuse of alcohol, drugs or tobacco use at Plaza for many years. Plaza is considered by parents to be a safe environment for their children and as a result many requests are made each year to have children transferred in from neighboring districts. The school’s small size, committed staff, and parent involvement make it one of the best academic environments in Glenn County.</p>	<p>There is always a need to be vigilant for violations to the conduct code. We continue to rely of GCOE for programs on drug, alcohol, and tobacco prevention.</p> <p>After many years with a part-time administrator the district has opted to hire a full time principal/superintendent so that any developing student misbehavior issues can be dealt with immediately.</p>

Performance Goal 4: *Provide a safe and welcoming climate for all stakeholders that includes parent input in decision making and promotes parent participation in student learning in order to improve school attendance rates.*

Safe and Drug Free Schools and Communities (SDFSC) and Tobacco Use Prevention Education (TUPE)

Prevention Program Performance Indicators (4115(a)(1)(B)):

The LEA is required to establish a biennial goal for all of the performance indicators listed below. List specific performance indicators for each grade level served, and for each listed measure, as well as the date of, and results from, the baseline administration of the Healthy Kids Survey:

Alcohol, Tobacco, Other Drug Use, and Violence Prevention Performance Measures From the California Healthy Kids Survey	Most Recent Survey date: 10/26/2015 Baseline Data	Biennial Goal (Performance Indicator)
The percentage of students that have ever used cigarettes will decrease biennially by: 0%	5 th 0% 6 th 20% 7 th 0% 8 th 13%	5 th 0% 6 th 20% 7 th 0% 8 th 13%
The percentage of students that have used cigarettes within the past 30 days will decrease biennially by:	7 th 0 % 8 th 13 %	7 th 0% 8 th 13%
The percentage of students that have used marijuana will decrease biennially by: No use reported.	5 th 0% 6 th 13% 7 th 0% 8 th 19 %	5 th 0% 6 th 13% 7 th 0 % 8 th 19%
The percentage of students that have used alcohol within the past 30 days will decrease biennially by:	7 th 8% 8 th 37%	7 th 8% 8 th 37%
The percentage of students that have used marijuana within the past 30 days will decrease biennially by: No use reported.	7 th 0 % 8 th 13%	7 th 0% 8 th 13%
The percentage of students that feel very safe at school will increase biennially by:	7 th 0% 8 th 19%	7 th 0 % 8 th 81%

The percentage of students that have been afraid of being beaten up during the past 12 months will decrease biennially by:	5 th 0% 6 th 20% 7 th 16 % 8 th 12%	5 th 0% 6 th 20% 7 th 16% 8 th 12 %
Truancy Performance Indicator		
The percentage of students who have been truant will decrease annually by .5% from the current LEA rate shown here. NOTE: Calculate the percentage in the LEA by tallying the number of students who have been classified as truant during the school year per Education Code Section 48260.5, and dividing that total by the CBEDS enrollment for the same school year.	97.29%	97.79%
Protective Factors Performance Measures from the California Healthy Kids Survey	Most recent date: 10/26/2015_ Baseline Data	Biennial Goal (Performance Indicator)
The percentage of students that report high levels of caring relationships with a teacher or other adult at their school will increase biennially by:	5 th 0% 6 th 13% 7 th 62% 8 th 38%	5 th 0% 6 th 87% 7 th 38% 8 th 62%
The percentage of students that report high levels of high expectations from a teacher or other adult at their school will increase biennially by:	5 th 31% 6 th 14% 7 th 77% 8 th 63%	5 th 64% 6 th 86% 7 th 23% 8 th 37 %
The percentage of students that report high levels of opportunities for meaningful participation at their school will increase biennially by:	5 th 71% 6 th 27% 7 th 38% 8 th 19%	5 th 29% 6 th 73% 7 th 62% 8 th 81%

The percentage of students that report high levels of school connectedness at their school will increase biennially by:	5 th 47%	5 th 53%
	6 th 53%	6 th 57%
	7 th 77%	7 th 23 %
	8 th 56%	8 th 44%

Other Performance Measures

List below any other performance measures and performance indicators the LEA has adopted specific to its prevention programs (drug, violence, truancy, school safety, etc.). Specify the performance measure, the performance indicator goal, and baseline data for that indicator.

LEA Specified Performance Measures (Process to Collect Data)	Performance Indicator Goal	Baseline Data

Science Based Programs (4115 (a)(1)(C)):

The LEA must designate and list the science-based programs (programs proven by science to effectively prevent tobacco use, alcohol use, other drug use, and violence) selected from Appendix C. From Appendix C, list the scientifically based programs the LEA will adopt and implement to serve 50 percent or more of the students in the target grade levels. Indicate below your program selections, and provide all other requested information.

Science-Based Program Name	Program ATODV Focus	Target Grade Levels	Target Population Size	Purchase Date	Staff Training Date	Start Date

Research-based Activities (4115 (a)(1)(C)):

Based on the research cited in Appendix D, check the box for each activity the LEA will implement as part of the comprehensive prevention program and provide all other requested information.

Check	Activities	Program ATODV Focus	Target Grade Levels
X	After School Programs	Three hours of after school supervision including homework time, recreation and a variety of innovative classes	K-8
	Conflict Mediation/Resolution		
	Early Intervention and Counseling		
	Environmental Strategies		
	Family and Community Collaboration		
	Media Literacy and Advocacy		
	Mentoring		
	Peer-Helping and Peer Leaders		
	Positive Alternatives		
	School Policies	Discipline policies are in place that meet the state education code standards	K-8
	Service-Learning/Community Service		
	Student Assistance Programs		

	Tobacco-Use Cessation		
Check	Activities	Program ATODV Focus	Target Grade Levels
	Youth Development Caring Schools Caring Classrooms		
	Other Activities		

Promising or Favorable Programs (4115 (a)(3)):

The LEA may – but is not required to – designate and list the promising or favorable programs (programs whose effectiveness is not as strongly established though scientific evidence) selected from Appendix E. From Appendix E, list the promising or favorable programs the LEA will adopt and implement to serve 50 percent or more of the students in the target grade levels. Indicate below your program selections, and provide all other requested information.

Promising Program name	Program ATODV Focus	Target Grade Levels	Target Population Size	Purchase Date	Staff Training Date	Start Date

Waiver to Adopt Promising or Favorable Programs not listed in Appendix E:

Check the box below if the LEA will submit an application for waiver in order to include other promising or favorable programs not found in Appendix E. Programs not listed in Appendix E will be considered on a case-by-case basis. The LEA must demonstrate that the program for which a waiver is requested is legitimately innovative or demonstrates substantial likelihood of success. The CDE will provide under separate cover additional information and the forms for submitting a waiver request.

Analysis of Data for Selection of Programs and Activities (4115 (a)(1)(D)):

For each selected Appendix C programs or Appendix D activities, provide a brief narrative rationale based on the LEA’s analysis of CSS, CHKS, and CSSA data related to why the LEA selected these programs and activities for implementation.

Evaluation and Continuous Improvement (4115 (a)(2)(A)):

Provide a description for how the LEA will conduct regular evaluations of the effectiveness of the LEA’s alcohol, tobacco, other drug use and violence prevention program. Describe how the results of the evaluation will be used to refine, improve and strengthen the program.

Use of Results and Public Reporting (4115 (a)(2)(B)):

Describe the steps and timeline the LEA will use to publicly report progress toward attaining performance measures for the SDFSC and TUPE programs. Describe how the evaluation results will be made available to the public including how the public will be provided notice of the evaluation result's availability.

Mandatory Safe and Drug Free Schools and Communities (4114(d)(2)(E)):

Briefly describe how SDFSC funded program services will be targeted to the LEA's schools and students with the greatest need. (Section 4114 [d][3])

Coordination of All Programs (4114 (d)(2)(A)):

Provide a detailed, but brief, explanation of how the LEA will coordinate SDFSC funded alcohol, tobacco, other drug and violence prevention programs with other federal state and local prevention programs.

Parent Involvement (4115 (a)(1)(e)):

Provide a brief, but detailed, description of the parent involvement and describe the parent notification procedures used to meet requirements under NCLB Title IV, Part A – SDFSC program.

TUPE Services for Pregnant Minors and Minor Parents (H&SC 104460):

Describe the TUPE services and referral procedures for pregnant minors and minor parents enrolled in the LEA and how they will be provided with tobacco-use prevention services. Include students participating in programs such as the California School Age Families Education (Cal-SAFE) program, the Adolescent Family Life Program (AFLP) administered through the Department of Health Services, and the Cal-Learn program administered by the Department of Social Services.

TUPE Funded Positions (Health & Safety Code 104420(b)(3)):

Provide full time equivalent (FTE) staffing configuration for all TUPE funded positions. (Health and Safety Code section 104420 [b](3))

Position/Title	Full time equivalent

Performance Goal 5: *All students will graduate from high school.*

Planned Improvements: High School Graduation Rates, Dropouts, and AP

This section of the plan is intended to reflect the LEA’s efforts to reduce the percentage of students dropping out of school, and therefore, increase the percentage of students who graduate from high school. Also include a description below of the LEA’s efforts to ensure that all students have equal access to advanced placement (AP) opportunities.

Performance Indicator	Activities/Actions	Students Served	Timeline/ Person(s) Involved	Benchmarks/ Evaluation	Funding Source
5.1 (High School Graduates)					
5.2 (Dropouts)					
5.3 (Advanced Placement)					

Additional Mandatory Title I Descriptions

Please include in the space below the following descriptions mandated by NCLB legislation. If the LEA has already included any of the descriptions, they do not need to be provided again here; please indicate the page number or section of the Plan where this information is included.

Describe the measure of poverty that will be used to determine which schools are eligible for Title I funding in accordance with Section 1113, “Eligible School Attendance Areas.”	
	Description of how the LEA is meeting or plans to meet this requirement:
<p>Identify one of the following options as the low-income measure to identify schools eligible for Title I funding:</p> <ul style="list-style-type: none"> • Number of children in families receiving assistance under the CalWorks program; • Number of children eligible for Free/Reduced Price Lunch programs; • Number of children ages 5-17 in poverty counted by the most recent census data; • Number of children eligible to receive medical assistance under the Medicaid program; • Or a composite of the above. 	<ul style="list-style-type: none"> • CalWorks-N/A • FRPL-93 students • Poverty level-Not available • Medicaid-Not available
<p>Describe how the low-income measure described above is used to rank and select schools to receive Title I funds</p> <ul style="list-style-type: none"> • All schools with a 75% or above poverty level are funded • All other schools are funded by poverty ranking district wide or by grade span. 	<p>Plaza is a single school district and uses the free and reduced lunch count for Title I funding</p>

**Additional Mandatory Title I Descriptions
(continued)**

Please provide a general description of the nature of the programs to be conducted by the LEA's schools under Sections 1114, "Schoolwide Programs," and/or Section 1115, "Targeted Assistance Schools." Direct-funded charters and single school districts, if conducting a schoolwide program authorized under Section 1114, may attach a copy of the Schoolwide Plan or Single Plan for Student Achievement in lieu of this description. All ten of the required components must be addressed. (For more information on Schoolwide, please go to <http://www.cde.ca.gov/sp/sw/rt>; for Targeted Assistance go to <http://www.cde.ca.gov/sp/sw/rt/tasinfo.asp>).

	Description of how the LEA is meeting or plans to meet this requirement:
<p>For schoolwide programs (SWP), describe how the LEA will help schools to bring together all resources to upgrade the entire educational program at the school and include assistance in activities such as:</p> <ul style="list-style-type: none"> • A comprehensive needs assessment of the entire school in relation to state standards. Schoolwide reform strategies that provide opportunities for all children to meet state standards. • Effective methods and instructional strategies based on scientifically-based research. • Strategies that give primary consideration to extended learning time, extended school year, before and after school and summer programs. • Proven strategies that address the needs of historically underserved students, low achieving students, and those at risk of not meeting state standards. • Instruction by highly qualified teachers and strategies to attract and keep such teachers. • High quality and ongoing professional development for teachers, principals, paraprofessionals, and if appropriate, pupil services personnel, parents and other staff. • Strategies to increase parental involvement. 	<p>A Single Plan for Student Achievement and a Local Control and Accountability Plan have been developed and approved by the School Site Council and Board of Trustees. They address the activities applicable to the Targeted Assisted Programs at Plaza.</p>

<ul style="list-style-type: none"> • Assistance to preschool children in transitioning from early childhood programs to elementary school programs. • Timely and effective additional assistance to students who experience difficulty mastering state standards. 	
<p>For targeted assistance programs (TAS), describe how the LEA will help schools to identify participating students most at risk of failing to meet state standards and help those students to meet the State’s challenging academic standards. The description should include activities such as:</p> <ul style="list-style-type: none"> • Effective methods and instructional strategies based on scientifically-based research. • Strategies that give primary consideration to extended learning time, extended school year, before and after school and summer programs. • Strategies that minimize removing children from the regular classroom during regular school hours for instruction. • Instruction by highly qualified teachers. • Professional development opportunities for teachers, principals, and paraprofessionals, including if appropriate, pupil services personnel, parents, and other staff. • Strategies to increase parental involvement. 	<p>All staff are NCLB complaint and trained in effective methods and strategies, including CLAD. One of our teachers is grade in GLAAD strategies. Our after school program was acquired by GCOE in order to better serve students academically. Summer school is designed to serve low performing students. Our Learning Specialist develops the IEP/Intervention schedule to include as much push in support as possible, limiting the amount of pull out time for students. IEP students push in or pull out is based on the IEP.</p>

Additional Mandatory Title I Descriptions

(continued)

<p>Please describe how teachers, in consultation with parents, administrators, and pupil services personnel in targeted assistance schools under Section 1115, “Targeted Assistance Schools,” will identify the eligible children most in need of services under this part. Please note that multiple, educationally related criteria must be used to identify students eligible for services. Where applicable, provide a description of appropriate, educational services outside such schools for children living in local institutions for neglected or delinquent children in community day school programs, and homeless children.</p>	
	<p>Description of how the LEA is meeting or plans to meet this requirement:</p>
<p>Describe who is involved and the criteria used to identify which students in a targeted assistance school will receive services. The criteria should:</p> <ul style="list-style-type: none"> • Identify children who are failing or most at risk of failing to meet the state academic content standards. • Use multiple measures that include objective criteria such as state assessments, and subjective criteria such as teacher judgment, parent interviews and classroom grades. • Include solely teacher judgment, parent interviews and developmentally appropriate measures, if the district operates a preschool through grade 2 program with Title I funds. 	<p>Although Smarter Balanced Assessment data can be used this year to identify which students need services, other data, including, teacher recommendations, chapter tests, daily assignments, RESULTS testing, and SBA Interim Assessments are all used to develop a list of students to receive services.</p>
<p>The description should include services to homeless children, such as the appointment of a district liaison, immediate enrollment, transportation, and remaining in school of origin.</p>	<p>There are no homeless children enrolled at Plaza</p>
<p>The description should include services to children in a local institution for neglected or delinquent children and youth or attending a community day program, if appropriate.</p>	<p>N/A</p>

Additional Mandatory Title I Descriptions

(continued)

Please describe the actions the LEA will take to assist in its low-achieving schools identified under Section 1116, “Academic Assessment and Local Educational Agency and School Improvement,” as in need of improvement.	
	Description of how the LEA is meeting or plans to meet this requirement:
<p>If the LEA has a PI school(s), describe technical assistance activities the LEA will provide to help the PI school, such as the following:</p> <ul style="list-style-type: none"> • Assistance in developing, revising, and implementing the school plan. • Analyzing data to identify and address problems in instruction, parental involvement, professional development and other areas. • Assistance in implementing proven and effective strategies that will address the problems that got the school identified as PI and will get the school out of PI. • Assistance in analyzing and revising the school budget so the school’s resources are used effectively. 	N/A

Additional Mandatory Title I Descriptions

(continued)

Please describe the actions the LEA will take to implement public school choice with paid transportation and Supplemental Educational Services, consistent with the requirements of Section 1116, “Academic Assessment and Local Educational Agency and School Improvement.”	
	Description of how the LEA is meeting or plans to meet this requirement:
Describe the process for parent notification of the school’s identification as PI, including notification of the right for students to transfer to another school that is not PI with paid transportation, and the right to receive supplemental services.	N/A
Describe how the LEA will provide school choice and supplemental services to eligible children, including the selection of the children to receive services.	N/A

Additional Mandatory Title I Descriptions

(continued)

Please describe the strategy the LEA will use to coordinate programs under Title I with programs under Title II to provide professional development for teachers and principals, and, if appropriate, pupil services personnel, administrators, parents, and other staff, including LEA-level staff in accordance with Section 1118, "Parental Involvement," and Section 1119, "Qualifications for Teachers and Paraprofessionals."

	Description of how the LEA is meeting or plans to meet this requirement:
Describe the LEA's strategies for coordinating resources and efforts to help schools retain, recruit and increase the number of highly qualified teachers, principals, and other staff.	All teachers are highly qualified and instructional aides are NCLB compliant. Only staff who meet these requirements are hired by the district.
Describe the LEA's strategies for coordinating resources and efforts to prepare parents to be involved in the schools and in their children's education.	<p>The district continues to encourage parental involvement through classroom volunteerism and the Plaza Community Club, which is similar to a Parent Teacher Organization (PTO).</p> <p>Parents are invited to Back to School Night the first week of school and all attend Parent Teacher Conferences after the first trimester. Parents of students who continue to struggle academically meet with their classroom teacher and/or Learning Specialist as needed.</p>

Additional Mandatory Title I Descriptions

(continued)

Coordination of Educational Services

In the space below, please describe how the LEA will coordinate and integrate educational services at the LEA or individual school level in order to increase program effectiveness, eliminate duplication, and reduce fragmentation of the instructional program. Include programs such as: Even Start; Head Start; Reading First; Early Reading First and other preschool programs (including plans for the transition of participants in such programs to local elementary school programs; services for children with limited English proficiency; children with disabilities; migratory children; neglected or delinquent youth; Native American (Indian) students served under Part A of Title VII; homeless children; and immigrant children.

	Description of how the LEA is meeting or plans to meet this requirement:
<p>Describe how the LEA will coordinate and integrate educational services at the LEA or individual school level in order to increase program effectiveness, eliminate duplication, and reduce fragmentation of the instructional program, including programs such as:</p> <ol style="list-style-type: none"> a. Even Start b. Head Start c. Reading First d. Early Reading First e. Other preschool programs f. Services for children that are migratory, neglected or delinquent, Native American (Title VII, Part A), homeless, immigrant, and limited-English proficient, and children with disabilities. <p>Compare to programs listed on Page 11 of the LEA Plan to determine if all active programs have been addressed.</p>	<p>N/A</p>

Appendix C: Science-Based Programs

Appendix D: Research-based Activities

Appendix E: Promising or Favorable Programs

ASSURANCES

To assure the LEA's eligibility for funds included in this Plan, the Superintendent must provide an original signature below attesting to compliance with all of the following statements.

GENERAL ASSURANCES

1. Each such program will be administered in accordance with all applicable statutes, regulations, program plans, and applications.
2. The LEA will comply with all applicable supplement not supplant and maintenance of effort requirements.
3. (a) The control of funds provided under each program and title to property acquired with program funds will be in a public agency, a non-profit private agency, institution, organization, or Indian tribe, if the law authorizing the program provides for assistance to those entities; (b) the public agency, non-profit private agency, institution or organization, or Indian tribe will administer the funds and property to the extent required by the authorizing law.
4. The LEA will adopt and use proper methods of administering each such program, including – (a) the enforcement of any obligations imposed by law on agencies, institutions, organizations, and other recipients responsible for carrying out each program; and (b) the correction of deficiencies in program operations that are identified through audits, monitoring, or evaluation.
5. The LEA will cooperate in carrying out any evaluation of each such program conducted by, or for, the State educational agency, the Secretary, or other Federal officials.
6. The LEA will use such fiscal control and fund accounting procedures as will ensure proper disbursement of, and accounting for, Federal funds paid to the applicant under each such program.
7. The LEA will – (a) submit such reports to the State educational agency (which shall make the reports available to the Governor) and the Secretary as the State educational agency and Secretary may require to enable the State educational agency and Secretary to perform their duties under each such program; and (b) maintain such records, provide such information, and afford such access to the records as the State educational agency (after consultation with the Governor) or the Secretary may reasonably require to carry out the State educational agency's or the Secretary's duties.
8. The LEA has consulted with teachers, school administrators, parents, and others in the development of the local consolidated application/LEA Plan to the extent required under Federal law governing each program included in the consolidated application/LEA Plan.
9. Before the application was submitted, the LEA afforded a reasonable opportunity for public comment on the application and considered such comment.

- 9a. The LEA will provide the certification on constitutionally protected prayer that is required by section 9524.
10. The LEA will comply with the armed forces recruiter access provisions required by section 9528.

TITLE I, PART A

The LEA, hereby, assures that it will:

11. Participate, if selected, in the State National Assessment of Educational Progress in 4th and 8th grade reading and mathematics carried out under section 411(b)(2) of the National Education Statistics Act of 1994.
12. If the LEA receives more than \$500,000 in Title I funds, it will allow 1% to carry out NCLB Section 1118, Parent Involvement, including promoting family literacy and parenting skills; 95% of the allocation will be distributed to schools.
13. Inform eligible schools and parents of schoolwide program authority and the ability of such schools to consolidate funds from Federal, State, and local sources.
14. Provide technical assistance and support to schoolwide programs.
15. Work in consultation with schools as the schools develop the schools' plans pursuant to section 1114 and assist schools as the schools implement such plans or undertake activities pursuant to section 1115 so that each school can make adequate yearly progress toward meeting the State student academic achievement standards.
16. Fulfill such agency's school improvement responsibilities under section 1116, including taking actions under paragraphs (7) and (8) of section 1116(b).
17. Provide services to eligible children attending private elementary schools and secondary schools in accordance with section 1120, and timely and meaningful consultation with private school officials regarding such services.
18. Take into account the experience of model programs for the educationally disadvantaged, and the findings of relevant scientifically based research indicating that services may be most effective if focused on students in the earliest grades at schools that receive funds under this part.
19. In the case of an LEA that chooses to use funds under this part to provide early childhood development services to low-income children below the age of compulsory school attendance, ensure that such services comply with the performance standards established under section 641A(a) of the Head Start Act.
20. Work in consultation with schools as the schools develop and implement their plans or activities under sections 1118 and 1119 and *California Education Code Section 64001*.
21. Comply with requirements regarding the qualifications of teachers and paraprofessionals and professional development.

22. Inform eligible schools of the local educational agency's authority to obtain waivers on the school's behalf under Title IX.
23. Coordinate and collaborate, to the extent feasible and necessary as determined by the local educational agency, with the State educational agency and other agencies providing services to children, youth, and families with respect to a school in school improvement, corrective action, or restructuring under section 1116 if such a school requests assistance from the local educational agency in addressing major factors that have significantly affected student achievement at the school.
24. Ensure, through incentives for voluntary transfers, the provision of professional development, recruitment programs, or other effective strategies, that low-income students and minority students are not taught at higher rates than other students by unqualified, out-of-field, or inexperienced teachers.
25. Use the results of the student academic assessments required under section 1111(b)(3), and other measures or indicators available to the agency, to review annually the progress of each school served by the agency and receiving funds under this part to determine whether all of the schools are making the progress necessary to ensure that all students will meet the State's proficient level of achievement on the State academic assessments described in section 1111(b)(3) within 12 years from the baseline year described in section 1111(b)(2)(E)(ii).
26. Ensure that the results from the academic assessments required under section 1111(b)(3) will be provided to parents and teachers as soon as is practicably possible after the test is taken, in an understandable and uniform format and, to the extent practicable, provided in a language or other mode of communication that the parents can understand.
27. Assist each school served by the agency and assisted under this part in developing or identifying examples of high-quality, effective curricula consistent with section 1111(b)(8)(D) and *California Education Code Section 64001*.
28. Ensure that schools in school improvement status spend not less than ten percent of their Title I funds to provide professional development (in the area[s] of identification to teachers and principals) for each fiscal year.
29. Prepare and disseminate an annual LEA report card in accordance with section 1111(h)(2).
30. Where applicable, the applicant will comply with the comparability of services requirement under section 1120A(c). In the case of a local educational agency to which comparability applies, the applicant has established and implemented an agency-wide salary schedule; a policy to ensure equivalence among schools in teachers, administrators, and other staff; and a policy to ensure equivalence among schools in the provision of curriculum materials and instructional supplies. Documentation will be on file to demonstrate that the salary schedule and local policies result in comparability and will be updated biennially.

TITLE I, PART D – SUBPART 2

31. Where feasible, ensure that educational programs in the correctional facility are coordinated with the student's home school, particularly with respect to a student with an individualized education program under Part B of the Individuals with Disabilities Education Act.

32. Work to ensure that the correctional facility is staffed with teachers and other qualified staffs that are trained to work with children and youth with disabilities taking into consideration the unique needs of such children and youth.
33. Ensure that the educational programs in the correctional facility are related to assisting students to meet high academic achievement standards.

TITLE II, PART A

34. The LEA, hereby, assures that:

- The LEA will target funds to schools within the jurisdiction of the local educational agency that:
(A) have the lowest proportion of highly qualified teachers;
(B) have the largest average class size; or
(C) are identified for school improvement under section 1116(b).
- The LEA will comply with section 9501 (regarding participation by private school children and teachers).
- The LEA has performed the required assessment of local needs for professional development and hiring, taking into account the activities that need to be conducted in order to give teachers the means, including subject matter knowledge and pedagogy skills, and to give principals the instructional leadership skills to help teachers, to provide students with the opportunity to meet California's academic content standards. This needs assessment was conducted with the involvement of teachers, including teachers participating in programs under Part A of Title I.
- The LEA will assure compliance with the requirements of professional development as defined in section 9101 (34).

TITLE II, PART D

35. The LEA has an updated, local, long-range, strategic, educational technology plan in place that includes the following:

- Strategies for using technology to improve academic achievement and teacher effectiveness.
- Goals aligned with challenging state standards for using advanced technology to improve student academic achievement.
- Steps the applicant will take to ensure that all students and teachers have increased access to technology and to help ensure that teachers are prepared to integrate technology effectively into curricula and instruction.
- Promotion of curricula and teaching strategies that integrate technology, are based on a review of relevant research, and lead to improvements in student academic achievement.
- Ongoing, sustained professional development for teachers, principals, administrators, and school library media personnel to further the effective use of technology in the classroom or library media center.

- A description of the type and costs of technology to be acquired with Ed Tech funds, including provisions for interoperability of components.
 - A description of how the applicant will coordinate activities funded through the Ed Tech program with technology-related activities supported with funds from other sources.
 - A description of how the applicant will integrate technology into curricula and instruction, and a timeline for this integration.
 - Innovative delivery strategies – a description of how the applicant will encourage the development and use of innovative strategies for the delivery of specialized or rigorous courses and curricula through the use of technology, including distance learning technologies, particularly in areas that would not otherwise have access to such courses or curricula due to geographical distances or insufficient resources.
 - A description of how the applicant will use technology effectively to promote parental involvement and increase communication with parents.
 - Collaboration with adult literacy service providers.
 - Accountability measures – a description of the process and accountability measures that the applicant will use to evaluate the extent to which activities funded under the program are effective in integrating technology into curricula and instruction, increasing the ability of teachers to teach, and enabling student to reach challenging state academic standards.
 - Supporting resources – a description of the supporting resources, such as services, software, other electronically delivered learning materials, and print resources that will be acquired to ensure successful and effective uses of technology.
36. The LEA must use a minimum of 25 percent of their funds to provide ongoing, sustained, and intensive high quality professional development in the integration of advanced technology into curricula and instruction and in using those technologies to create new learning environments.
37. **Any LEA that does not receive services at discount rates under section 254(h)(5) of the Communications Act of 1934 (47 U.S.C. 254(h)(5)) hereby assures the SEA** that the LEA will not use any Title II, Part D funds to purchase computers used to access the Internet, or to pay for direct costs associated with accessing the Internet, for such school unless the school, school board, local educational agency, or other authority with responsibility for administration of such school:
- has in place a policy of Internet safety for minors that includes the operation of a technology protection measure with respect to any of its computers with Internet access that protects against access through such computers to visual depictions that are obscene, child pornography, or harmful to minors; and
 - is enforcing the operation of such technology protection measure during any use of such computers by minors; and
 - has in place a policy of Internet safety that includes the operation of a technology protection measure with respect to any of its computers with Internet access that protects against access through such computers to visual depictions that are obscene or child pornography, and is enforcing the operation of such technology protection measure during any use of such computers.
 - Any LEA that does receive such discount rates hereby assures the SEA that it will have in place a policy of Internet safety for minors required by Federal or State law.

TITLE III

38. The LEA assures that it consulted with teachers, researchers, school administrators, parents, and, if appropriate, with education-related community groups, nonprofit organizations, and institutions of higher education in developing the LEA Plan.
39. The LEA will hold elementary and secondary schools accountable for increasing English language proficiency and for LEP subgroups making adequate yearly progress.
40. The LEA is complying with Section 3302 prior to, and throughout, each school year.
41. The LEA annually will assess the English proficiency of all students with limited English proficiency participating in programs funded under this part.
42. The LEA has based its proposed plan on scientifically based research on teaching limited-English-proficient students.
43. The LEA ensures that the programs will enable to speak, read, write, and comprehend the English language and meet challenging State academic content and student academic achievement standards.
44. The LEA is not in violation of any State law, including State constitutional law, regarding the education of limited-English-proficient students, consistent with Sections 3126 and 3127.

TITLE IV, PART A

45. The LEA assures that it has developed its application through timely and meaningful consultation with State and local government representatives, representatives of schools to be served (including private schools), teachers and other staff, parents, students, community-based organizations, and others with relevant and demonstrated expertise in drug and violence prevention activities (such as medical, mental health, and law enforcement professionals).
46. The activities or programs to be funded comply with the principles of effectiveness described in section 4115(a) and foster a safe and drug-free learning environment that supports academic achievement.
47. The LEA assures that funds under this subpart will be used to increase the level of State, local, and other non-Federal funds that would, in the absence of funds under this subpart, be made available for programs and activities authorized under this subpart, and in no case supplant such State, local, and other non-Federal funds.
48. Drug and violence prevention programs supported under this subpart convey a clear and consistent message that acts of violence and the illegal use of drugs are wrong and harmful.
49. The LEA has, or the schools to be served have, a plan for keeping schools safe and drug-free that includes:
 - Appropriate and effective school discipline policies that prohibit disorderly conduct, the illegal possession of weapons, and the illegal use, possession, distribution, and sale of tobacco, alcohol, and other drugs by students.

- Security procedures at school and while students are on the way to and from school.
- Prevention activities that are designed to create and maintain safe, disciplined, and drug-free environments.
- A crisis management plan for responding to violent or traumatic incidents on school grounds.
- A code of conduct policy for all students that clearly states the responsibilities of students, teachers, and administrators in maintaining a classroom environment that:
 - Allows a teacher to communicate effectively with all students in the class.
 - Allows all students in the class to learn.
 - Has consequences that are fair, and developmentally appropriate.
 - Considers the student and the circumstances of the situation.
 - Is enforced accordingly.

50. The application and any waiver request under section 4115(a)(3) (to allow innovative activities or programs that demonstrate substantial likelihood of success) will be available for public review after submission of the application.

TITLE IV, PART A, SUBPART 3

51. The LEA assures that it has, in effect, a written policy providing for the suspension from school for a period of not less than one year of any student who is determined to have brought a firearm to school or who possesses a firearm at school and the referral of a student who has brought a weapon or firearm to the criminal or juvenile justice system. Such a policy may allow the Superintendent to modify such suspension requirement for a student on a case-by-case basis.

TITLE V, PART A

52. The LEA has provided, in the allocation of funds for the assistance authorized by this part and in the planning, design, and implementation of such innovative assistance programs, for systematic consultation with parents of children attending elementary schools and secondary schools in the area served by the LEA, with teachers and administrative personnel in such schools, and with such other groups involved in the implementation of this part (such as librarians, school counselors, and other pupil services personnel) as may be considered appropriate by the LEA.

53. The LEA will comply with this Part, including the provisions of section 5142 concerning the participation of children enrolled in private nonprofit schools.

54. The LEA will keep such records, and provide such information to the SEA, as may be reasonably required for fiscal audit and program evaluation.

55. The LEA will annually evaluate the programs carried out under this Part, and that evaluation:

- will be used to make decisions about appropriate changes in programs for the subsequent year;

- will describe how assistance under this part affected student academic achievement and will include, at a minimum, information and data on the use of funds, the types of services furnished, and the students served under this part; and
- will be submitted to the SEA at the time and in the manner requested by the SEA.

New LEAP Assurances

56. Uniform Management Information and Reporting System: the LEA assures that it will provide to the California Department of Education (CDE) information for the uniform management information and reporting system required by No Child Left Behind, Title IV in the format prescribed by CDE. That information will include:

- (i) truancy rates;
- (ii) the frequency, seriousness, and incidence of violence and drug-related offenses resulting in suspensions and expulsions in elementary schools and secondary schools in the State;
- (iii) the types of curricula, programs, and services provided by the chief executive officer, the State educational agency, local educational agencies, and other recipients of funds under this subpart; and
- (iv) the incidence and prevalence, age of onset, perception of health risk, and perception of social disapproval of drug use and violence by youth in schools and communities. (Section 4112, General Provisions, Title IV, Part A, PL 107-110)

57. Unsafe School Choice Policy: the LEA assures that it will establish and implement a policy requiring that a student attending a persistently dangerous public elementary school or secondary school, as determined by the State, or who becomes a victim of a violent criminal offense, as determined by State law, while in or on the grounds of a public elementary school or secondary school that the student attends, be allowed to attend a safe public elementary or secondary school within the local educational agency, including a public charter school. The LEA will submit on a format to be designated by CDE the information the state requires to complete annual federal reporting requirements on the number of schools that have been designated “persistently dangerous” in accordance with California State Board of Education policy. (Section 9532, General Provisions, Title IX, PL 107-110.)

Other

58. The LEA assures that a minimum of 95% of all students and a minimum number of students in each subgroup (at both the school and district levels) will participate in the state’s assessments program.

APPENDIX A

On May 30, 2002, the California State Board of Education (SBE) adopted the five goals and 12 performance indicators for No Child Left Behind, as set forth in the Federal Register Notice of May 22, 2002. The SBE's adoption of the specified goals and performance indicators represents California's commitment to the development of an accountability system to achieve the goals of NCLB.

Collectively, NCLB's goals, performance indicators, and performance targets constitute California's framework for ESEA *accountability*. The framework provides the basis for the state's improvement efforts, informing policy decisions by the SBE and implementation efforts by the California Department of Education (CDE) to fully realize the system envisioned by NCLB; it also provides a basis for coordination with the State Legislature and the Governor's Office.

California's NCLB Performance Goals and Performance Indicators

Performance Goal 1: *All students will reach high standards, at a minimum attaining proficiency or better in reading and mathematics, by 2013-2014.*

- 1.1 **Performance indicator:** The percentage of students, in the aggregate and for each subgroup, who are above the proficient level in reading on the State's assessment. (These subgroups are those for which the ESEA requires State reporting, as identified in section 1111(h)(1)(C)(i).)
- 1.2 **Performance indicator:** The percentage of students, in the aggregate and in each subgroup, who are at or above the proficient level in mathematics on the State's assessment. (These subgroups are those for which the ESEA requires State reporting, as identified in section 1111(h)(C)(i).)
- 1.3 **Performance indicator:** The percentage of Title I schools that make adequate yearly progress.

Performance Goal 2: *All limited-English-proficient students will become proficient in English and reach high academic standards, at a minimum attaining proficiency or better in reading/language arts and mathematics.*

- 2.1. **Performance indicator:** The percentage of limited-English-proficient Students, determined by cohort, who have attained English proficiency by the end of the school year.
- 2.2 **Performance indicator:** The percentage of limited-English-proficient students who are at or above the proficient level in reading/language arts on the State's assessment, as reported for performance indicator 1.1.

- 2.3 **Performance indicator:** The percentage of limited-English-proficient students who are at or above the proficient level in mathematics on the State’s assessment, as reported for performance indicator 1.2.

Performance Goal 3: *By 2005-2006, all students will be taught by highly qualified teachers.*

- 3.1 **Performance indicator:** The percentage of classes being taught by “highly qualified” teachers (as the term is defined in section 9101(23) of the ESEA), in the aggregate and in “high-poverty” schools (as the term is defined in section 1111(h)(1)(C)(viii) of the ESEA).
- 3.2 **Performance indicator:** The percentage of teachers receiving high-quality professional development. (See definition of “professional development” in section 9101(34).)
- 3.3 **Performance indicator:** The percentage of paraprofessionals (excluding those with sole duties as translators and parent involvement assistants) who are qualified. (See criteria in section 1119(c) and (d).)

Performance Goal 4: *All students will be educated in learning environments that are safe, drug free, and conducive to learning.*

- 4.1 **Performance indicator:** The percentage of persistently dangerous schools, as defined by the State.

Performance Goal 5: *All students will graduate from high school.*

- 5.1 **Performance indicator:** The percentage of students who graduate from high school, with a regular diploma:
- disaggregated by race, ethnicity, gender, disability status, migrant status, English proficiency, and status as economically disadvantaged; and,
 - calculated in the same manner as used in National Center for Education Statistics reports on Common Core of Data.
- 5.2 **Performance indicator:** The percentage of students who drop out of school:
- disaggregated by race, ethnicity, gender, disability status, migrant status, English proficiency, and status as economically disadvantaged; and
 - calculated in the same manner as used in National Center for Education Statistics reports on Common Core of Data.

APPENDIX C

Science-Based Programs

Science-based research has provided evidence of effectiveness for the following school-based prevention programs. Each of the listed programs have been identified as a research-validated, exemplary, or model program by one or more of the following agencies: The California Healthy Kids Resource Center, the Center for Substance Abuse Prevention, United States Department of Education's Expert Panel, or the University of Colorado's Center for the Study and Prevention of Violence. Some of these programs are also discussed in the California Department of Education's publication Getting Results. Websites where additional information can be found about each program's description, target population, and outcomes are listed below. The code in the last column of the menu provides a quick reference indicating which websites have information specific to each program.

A: < <http://www.californiahealthykids.org> > (California Healthy Kids Resource Center: Research-Validated Programs)

B: < <http://www.colorado.edu/cspv/blueprints/model/overview.html> > (University of Colorado: Blueprints)

C: < http://modelprograms.samhsa.gov/model_prog.cfm > (Center for Substance Abuse Prevention: Model Programs)

D: < <http://www2.edc.org/msc/model.asp> > (United States Department of Education: Expert Panel)

E: < <http://www.gettingresults.org/> > (Getting Results)

School-Based Programs
