

# School Site Council Agenda

April 27<sup>th</sup>, 2016

3:00pm

- I. Call meeting to Order**
- II. Approve January minutes**
- III. Approve Consolidated Application and Reporting System (CARS)**

Consolidated Application and Reporting System (CARS) is a data collection system to apply for Categorical Program Funding and to report on the use of those funds. More information about CARS can be found on the California Department of Education website at <http://www.cde.ca.gov/fg/aa/co/cars.asp> This is a three part adoption cycle and it covers Federal funding for Title I, Title III, and REAP. The third adoption of CARS will not be available until May. The CARS for Plaza School is not something you can access without a username and password. Because it is lengthy, I did not print out a copy. However, I will present it to the group via laptop and projector so we can discuss and approve it.

- IV. Approve Health and Wellness Policy**

Please go to School Site Council tab on our website at <http://www.plazaschool.org> to view the Health and Wellness Policy for Plaza School. This policy complies with board policy, as well as state and federal requirements. We will discuss and approve the policy in our meeting.

- V. Survey Results**

In our meeting I will discuss the results from two surveys that were sent to all families. One was for feedback on what is going well at Plaza and to plan for school wide improvement. The other was a cafeteria survey.

- VI. School Accountability Report Card (SARC)**

Please go to the homepage of our website at <http://www.plazaschool.org/> to view the 2014-15 SARC that was posted on February 1<sup>st</sup>. We will discuss the SARC in our meeting.

- VII. Adjourn**
