## NO SPARK

### June 5<sup>th</sup> & June 6<sup>th</sup>

The after school SPARK program will not be available Wednesday and Thursday, June 5<sup>th</sup> and 6<sup>th</sup>, which are the last two days of school. All students are dismissed at 11:30. **SPARK will not be in session either day.**

## We Hope to See You Next Year!

*If you know your child will not be returning to Plaza next year, please let us know as soon as possible so we can prepare for next year's enrollment.*

If you live out of Plaza School District boundaries, you must ensure that you have a current inter-district transfer agreement on file with both your home district, as well as Plaza. Most districts require that you fill out a form annually. Willows' agreement is good for five years. Please visit your district of residence for the 2019-20 form.

## Lost and Found:

Please make sure you check the lost and found rack in the cafeteria and K-3 building.

**All lost and found items left after the last day of school will be donated at the end of the year.**

## Meal Account:

As the school year comes to an end it is important that all Meal Accounts be paid in full.

Please make sure that your student's meal account has a positive balance. Positive balances will be carried over to the new school year. If your student is in 8<sup>th</sup> grade any remanding balance will be transferred to a sibling's account or refunded in full by the end of the school year.

- Parents/guardians have been notified with a postcard reminder sent home with student.

### PLEASE CHECK BACKPACKS.

Feel free to contact the Food Services Manager Mary Lohse, if you would like to know the balance of your student's account. 865-1250 ext. 26

Thank you for your cooperation!

## 2019-20 Plaza After School Program:

Applications for 2019-20 are available. Space is limited so please enroll your child(ren) soon.

**Fee: \$180 per year for one child or \$200 for two or more.**

Your child will not be enrolled if you have any unpaid enrollment fees from the previous school year. Additionally, to ensure your child is enrolled for next year's program, you must submit the **FULL ANNUAL FEE** along with the completed application.

### Things to Remember:

- Sign up for the school wide Remind app (**different from classroom Remind**) and SimplyCircle email notification systems
- Turn in box tops
- Like us on Facebook

### REMINDER (6<sup>th</sup> Grade):

Before the start of the 2019-20 school year, make sure that your incoming 7<sup>th</sup> grade students are ready!

**Vaccines required for 7<sup>th</sup> grade** ([California Code of Regulations \(CCR\), Title 17, Section 6020](#))

include:

- 1 dose of Tdap
- 2 doses of measles and varicella-containing vaccine: most students will have received these before starting Kindergarten, but some may have missed doses along the way.
- Other vaccines encouraged but not required for 7<sup>th</sup> graders include meningococcal and HPV vaccines.

To avoid the back-to-school rush, we encourage 6<sup>th</sup> graders to make their vaccine appointments now and provide our office with verification.

### Summer Reading:

To encourage the children to continue to read over the summer we are again offering a special field trip at the beginning of next school year. All children, Kindergarten through 7th grade are included. Children who have not learned to read yet may have ten books read to them. Children in 2nd through 4th grades next year will have to read ten (10) books and list them. Children in grades 5 through 8 (next year) need to read 5 grade level books containing at least 100 pages each. These books may include the ones read from the Orland Library summer reading program. Make sure you record the books on the note sent home and return it the first day of school.

## Congratulations
