In April and May students in 3rd-8th grade will be taking end of year CAASPP. This form of computer based assessment will provide very valuable data about your child's progress towards mastering the standards. The information from both the end of year assessments, and the interim assessments given throughout the year, is one tool we can use to help us find specific standards that individual students are having trouble mastering. Because we are so small, and our whole staff wraps around each child from Kindergarten through 8th grade, we can use this type of information to track academic progress throughout each child's entire Plaza experience. The only information generated by these assessments relates to specific grade level standards.

Most classes will complete all their required testing within a week. Please see your classroom teacher for specific assessment schedules. To help limit disruptions to their testing schedule, please communicate with the school office if there are doctor appointments coming up. Some of the tests cannot be continued once they are started. If we know ahead of time that your child will be leaving mid-way through a testing session, we can have them take that test at a different time. Ideally appointments won't conflict with testing schedules.

Most of the assessments are scheduled during the morning, but some students will take more than one period to complete theirs. Therefore, please be sure your child is well rested and has a hearty breakfast on the mornings they will be testing.

Plaza Community Club

If you would like to sign up to help with the carnival, please visit <https://www.signupgenius.com/go/5080d4eada622abfb6-2019>
You can also call the school office or email Plaza Community Club at plazapiratecc@gmail.com. **We need help with set up on Friday, April 26th from 3-5pm, a shift or two during the event on Saturday, April 27th, and/or cleaning up and putting things away after the event concludes at 7:30pm.**

Ticket packets will be sent home before break. The top three sellers will earn a prize! If you would like to learn more about how you can help by donating time, money, or auction items, please ask a PCC officer, or stop by the office and see Mr. Conklin. The carnival will be discussed in our next PCC meeting at 6pm on Thursday, April 11th at the Orland Round Table.

If you would like to purchase a yearbook, or an advertisement for your business, please see Mrs. Henning, or stop by the office.

Carnival Cake Booth:

Each student at Plaza is asked to bring in cakes or plates of goodies for the Carnival Cake Booth. We need decorated cakes, brownies, cookies, cupcakes, Rice Krispy Treats, pastries, fudge, or some other fabulous treat. Please send in your contribution on Friday, April 26th. If your child brings a cake or plate of treats, they will receive 10 carnival game tickets or 1 raffle ticket.

SchoolStore.com

SchoolStore.com is an online shopping mall where over 350 nationally-known merchants have agreed to give a percentage of sales to K-12 schools. Companies like Walmart, Sears, Target, Disney Store, Family Book Store, and Barnes and Noble participate. Customers can help Plaza by making everyday purchases from the nation's top online merchants....with NO COST and NO RISK for our school.

With your help, students use the Online Invitation tool to send emails inviting family and friends to support Plaza by doing everyday shopping through SchoolStore.com. Email invitations are sent with a special link to our SchoolStore. Plaza students will automatically receive credit for each purchase. Plaza will receive money and students will receive great prizes.

Because we are partnering with SchoolStore, each student has been given a packet with a Golden Ticket number. One student at Plaza School has a winning Golden Ticket! Thank you to everyone who has already participated. However, as of this morning, our school has not yet had a winner. The winning ticket is still out there! To see if your family has it, grab the packet your child brought home, go to schoolstore.net, and sign up for the program. If you have not participated, the winning ticket may be in your hands.

Informational packets were sent home. Please take a minute to review them. If you have any questions, please contact Mr. Conklin or stop by the office.
