We Hope to See You Next Year!

If you know your child will not be returning to Plaza next year, please let us know as soon as possible so we can prepare for next year's enrollment.

If you live out of Plaza School District boundaries, you must ensure that you have a current inter-district transfer agreement on file with both your home district, as well as Plaza. Most districts require that you fill out a form annually. Willows' agreement is good for five years. Please visit your district of residence for the 2018-19 form.

Teacher Appreciation Week!

May 7th-11th

We'd like to invite all students and parents to show extra gratitude to our teachers during this week! Their hard work and dedication is greatly appreciated.

SPARK CANCELLED:

Tue, June 5th & Wed, June 6th

The after school SPARK program will not be available Tuesday and Wednesday, June 5th and 6th, which are the last two days of school. All students are dismissed at 11:30. **SPARK will not be session either day.**

School Breakfast/Lunch:

Just a reminder, please make sure that your child's cafeteria account balance is paid before the end of the school year.

Plaza After School Program:

Applications are available for next years' after school program. Space is limited so please enroll your child(ren) soon. The fee will be the same as previous years; \$180 per year for one child or \$200 for two or more. Your child will not be enrolled if you have any unpaid enrollment fees from the previous school year. Additionally, to ensure your child is enrolled for next year's program, you must submit the **full** annual fee, as well as the completed application. If you have already submitted your application, but not paid the fee, please do so before the end of the year. Again, only those who turn in payment will be accepted. If you are unable to pay the full fee when you turn in the application, contact Mr. Conklin by email, phone, or feel free to stop by the office.

Plaza Community Club:

I would like to thank everyone who helped put on another great Plaza School Carnival this year. It was great seeing so many people participate. We couldn't have done it without your donations, volunteerism, and participation. A special thank you is appropriate for our Plaza Community Club members who spent the last several months planning, preparing, and hosting the Carnival. It is just a small group of people who do nearly all the work behind the scenes.

Lost and Found:

Please make sure you check the lost and found rack in the cafeteria and K-3 building. All lost and found items left after the last day of school will be donated at the end of the year.

Yearbook:

If you are still interested in purchasing a yearbook, please see Mrs. Henning, or stop by the office as soon as possible.

SUMMER READING:

To encourage the children to continue to read over the summer we are again offering a special field trip at the beginning of next school year. All children, Kindergarten through 7th grade are included. Children who have not learned to read yet may have ten books read to them. Children in 2nd through 4th grades next year will have to read ten (10) books and list them. Children in grades 5 through 8 (next year) need to read 5 grade level books containing at least 100 pages each. These books may include the ones read from the Orland Library summer reading program. Make sure you record the books on the note sent home and return it the first day of school.

THANK YOU!!

A very big thank you for the donations received from Dr. Syn, Mr. Samuel Niegel, Mr. Stephen Niegel and all the Plaza Community.

REMINDER (6th Grade):

Before the start of the 2018-19 school year, make sure that your incoming 7th grade students are ready! **Vaccines required for 7th grade** ([California Code of Regulations \(CCR\), Title 17, Section 6020](#)) include:

- 1 dose of Tdap
- 2 doses of measles-containing vaccine: most students will have received these before starting Kindergarten, but some may have missed doses along the way.
- Other vaccines encouraged but not required for 7th graders include meningococcal and HPV vaccines.

To avoid the back-to-school rush, we encourage 6th graders to make their vaccine appointments now and provide our office with verification.
