I.   Call meeting to Order

II.   Approve January minutes

III.   Discuss Local Control and Approve Accountability Plan (**LCAP**) Goals

We will discuss this year's goals. I have begun working on the annual update and review that is required by Ed Code. Due to the length of the document, I will present it during the meeting on the overhead and projector.

IV.   Discuss School Accountability Report Card (**SARC**)

SARC is a requirement that all California public and nonpublic, nonsectarian schools annually provide information to the community to allow public comparison of schools for student achievement, environment, resources, and demographics. Information about SARC can be found at the following California Department of Education link
http://www.cde.ca.gov/ta/ac/sa/
SARC for Plaza School can be found on our webpage at http://www.plazaschool.org/ If you scroll to the bottom under QUICKLINKS you will find a link to 2013/14 SARC Report. Please review the SARC prior to our meeting.

V.   Discuss and Approve Local Educational Agency Plan (**LEAP**)

Per our discussion during January's meeting, the LEAP has been updated. Due to its length, I will present it during the meeting for discussion and approval. The LEAP is a 5 year plan, therefore will not be presented to the board until 2017-18 when it is due again. However, due to all the changes our school is experiencing, it has been updated.

VI.   Approve Consolidated Application and Reporting System (**CARS**)

Consolidated Application and Reporting System (CARS) is a data collection system to apply for Categorical Program Funding and to report on the use of those funds. More information about CARS can be found on the California Department of Education website at
http://www.cde.ca.gov/fg/aa/co/cars.asp This is a three part adoption cycle and it covers Federal funding for Title I, Title III, and REAP. The third adoption of CARS will not be available until May, therefore we will discuss in the fall meeting. The CARS for Plaza School is not something you can access without a username and password. Because it is lengthy, I did not print out a copy. However, I will present it to the group via laptop and projector so we can discuss and approve it.

VII.   Set Meeting Dates for 2015-16

VIII. Adjourn
