

SECOND CHANCE BREAKFAST

We know getting out the door on time for school can be difficult.

We also understand that at times your student is not ready to eat breakfast at 8am. To help accommodate these students we are **Second Chance Breakfast.**

Beginning April 13, 2015

This breakfast will be offered during the 10:15 AM break for students who wish to have their breakfast a little later in the morning.

Your student is only allowed to eat one breakfast per day be it at the 8:00 AM – 8:35 AM meal time or at the new 10:15 AM Second Chance meal time.

Whatever time your student chooses to eat breakfast at school, be assured the meal they are having is a nutritious, well-balanced, breakfast.

A great way to fuel the brain for learning.
