School Description

Plaza Elementary is a small rural K-8 school in Glenn County near the city of Orland. It is a single school district with 177 students in grades K through eighth grade, all of which are single grade classes. Plaza is usually staffed by nine credentialed teachers and a full time superintendent/principal. Due to COVID-19 learning loss this year, Plaza created a full time distance learning coordinator to serve students learning from home, as well as a part time teacher to work with students who have fallen behind due to school closures. A part time classroom aide is working full time this year to help support classroom teachers as well. In addition to the credentialed staff there are four full time paraprofessionals, two office clerks, one cafeteria manager, cafeteria aide, bus driver/custodian, and one after school activity assistant. Glenn County Office of Education (GCOE) provides direct support to the district in special education, speech, psychologist and health services. GCOE also maintains a severe services program in a separate facility on campus.

Mission Statement- To provide a lifelong love of learning through a positive and supportive school climate that provides the opportunity for all students to achieve their full educational and social potential. School staff, parents, and community members provide support that encourages high expectations of all students.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

The inspection was completed using the OPSC facilities evaluation tool. This report shows the school received an overall rating of 100%, which means all areas are in good repair with no significant discrepancies noted. The overall school rating was exemplary. The campus is clean and well maintained. Over the last five years, Plaza has painted all buildings on campus, reroofed two modular buildings, upgraded the septic system, replaced 10 HVAC units, and installed solar panels that have generated more energy than used.

Plans have been designed to build a gymnasium on campus and install three new portable classrooms. Furthermore, plans to modernize existing buildings include replacing the roof on the main building, upgrading bathrooms for staff and students, and installing a fire suppression system. All plans have been approved by California Department of State Architects, California Department of Education, and California Department of General Services, and are awaiting funding from a grant through California Office of Public School Construction.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Plaza prides itself on excellent parent support. The Plaza Community Club is a parent/teacher organization which is very active in providing funding and volunteer assistance for classrooms, campus improvement, field trips and other activities planned throughout the year. Parents interested in getting involved should contact the school office or their child's teacher for more information. The School Site Council consisting of staff and parents help create and review state mandated policies, and also evaluate academic programs. Usually, many students in grades 4-8th are involved in Student Government activities such as spirit weeks, rally's, dances, chess club, and yearbook. In normal years, many parents, grandparents, and retired staff regularly volunteer to work in K-6th grade classrooms. Due to COVID-19 guidelines, School Site Council, Plaza Community Club, and Student Government do not meet. Furthermore, no visitors or volunteers are allowed on campus.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Typically the Plan is reviewed each year by the School Site Council and changes or additions will be presented to the Board of Trustees for its review and approval. This year the Safe School Plan was not reviewed by the School Site Council because that requirement was waived by the state. The Plaza teachers discussed the plan on January 7th, 2021. It was presented to the Board of Trustees on December 10th, 2020, and approved by them on January 14th, 2021. The plan contains all elements required by Education Code 35294.1 including child abuse reporting procedures, disaster response, suspension and expulsion policies, sexual harassment policy, dress and behavior policies. Within the last five years, Plaza has upgraded school security and safety by installing fences and gates, as well as cameras throughout campus. Additionally, after consultation with local law enforcement and fire personnel, improved policies for visitors on campus, and procedures for emergency situations has been implemented.

Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0	0	
Expulsions	0	0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	9	9	8

Plaza Elementary typically schedules one minimum day per month for staff development. Staff are encouraged to participate in other opportunities throughout the year, and many do. In 2019-20 we focused primarily on Multi Tiered Systems of Supports for all students, specifically academic and social emotional supports. In 2020-21, we shifted to implementing an effective distance learning instructional program due to COVID1-9 school closure. Teachers and classroom aides had four additional days added to their contract to prepare for distance learning. We collaborated as a whole school, as well as within grade level spans to devise a program that was rigorous yet accommodating for all the barriers to learning families would experience with the local and state shutdown. Six weeks after school started, we began to prepare for a hybrid model where half the kids were on campus each day while the other half were distance learning. This posed additional challenges because staff had to teach both models simultaneously. Through professional development and collaboration, we were able to offer a robust program that met the needs of all students.

Types of Services Funded

Plaza Elementary provides instruction in all the core subjects for grades kindergarten through eighth grade. In addition to the regular curriculum an instrumental music teacher conducts classroom music for K-6th grades, as well as band and chorus for 4th-8th grades. We also contract time with a local artist who provides weekly art projects for each class.

State and Federal categorical funds are used to hire paraprofessionals to assist teachers with individual or small group instruction including those identified as being qualified for Title I services. A small amount of federal funds are available for English learners. Plaza has a "small but scattered" program and English learners are placed in the regular education classes. Special education services are provided by the Glenn County SELPA. A 1.0 Education Specialist and all of our aides work with "mild/moderate" special education students in most classrooms. Although the number of SPED students is low, the Education Specialist and a classroom aide assigned to the Learning Center are employed full time in order to provide a robust intervention program for students who are not at grade level.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dg.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
