Congratulations to Belle F. (4th grade) and Jacob F. (5th) grade for earning a spot in the Agribee agricultural spelling contest. They both will represent Plaza School on November 17th.

Danny Hutson, Avery Davis, and Grace Edson Easton Ellenberger, Chevy Schroer, and Clayton Cecil (8th Grade) were all recognized with an all tournament award for their participation in the Lake Volleyball/Football Tournament. The girls took 2nd place in volleyball and the boys earned 3rd place in football. Great job kids!

School Site Council

Our first School Site Council meeting of the year will be **Wednesday**, **December 20**th at 3:00pm. The purpose of our School Site Council is to act as an advisory committee and help monitor federal funding and progress of goals for state mandated plans. Our only other meeting dates are **February 15**th and **April 10**th. No other commitment is needed beyond preparing for and attending the three meetings.

The council is composed of staff and parents, with representatives serving up to a two-year term.

If you're interested, please return the form below by November 14th. Your name will be cast on a ballot that will be sent home to parents. The candidates with the most ballets will fill the available positions.

Thank you,

Mr. Conklin

Our School Community Rocks!

The California Department of Education released the 2022-23 end of year state assessments this week. The **state average for 3rd-8th and 11th** graders **meeting or exceeding** state standards for English Language Arts (ELA) was **47.06%** and for Mathematics it was **33.38%**.

I am happy to report that Plaza School's data shows that 61.77% of our 3rd-8th graders met or exceeded the state standards in ELA and 65.44% did so in Mathematics, both of which exceeds all other districts in Glenn County. The Plaza School community is always student centered, especially their academic, behavioral, and social-emotional wellbeing. I am proud of all the hard work and dedication our staff, students, and families put into making Plaza such an amazing place.

Pancake Breakfast:

The annual Pancake Breakfast that supports the 8th grade class trip, 8th grade graduation, and student government activities will be held on Saturday, November 4th in the school cafeteria. 8th grade students and their parents who would like to volunteer for the event by helping prepare food after school on Friday, Nov. 3rd or by working a shift on the day of the breakfast should contact Mrs. Henning. Any monetary donation to help offset the cost of the breakfast is always appreciated. Breakfast and 50/50 raffle tickets are on sale now.

Yearbook Photos:

If you have any pictures of the first day of school, bike-a-thon, class field trips, or any of the many different school activities or events, please email them to yearbook@plazaschool.org. Ms. Monica and students on the yearbook committee are working hard to create another great yearbook this year!

Pancake Breakfast:

A huge thank you to everyone who supported the 8th grade Pancake Breakfast. We had a great turn out. The money raised will go towards the 8th grade class, including their graduation expenses and end of year trip. It also helps support many different school activities, such as Red Ribbon Week, awards ceremonies, and student recognition.

Orland Unified School District Interdistrict Transfer Students

Please remember that December 1st through February 15th OUSD will begin accepting inter district transfer requests for the 2024-25 school year. Failure to submit the transfer request during the period will result in the expectation that the child shall attend their school of residence until a determination is made. This means your child would be expected to attend OUSD. Please go to the OUSD office to initiate the transfer request before February.

2024-25 Enrollment

Notices went home to families who have at least one child currently attending Plaza and another child who will turn five before September 1st, 2024, therefore will be enrolling into kindergarten next year. If there are more students requesting enrollment than seats available, Plaza School board policy outlines who gets priority, as well as the process for conducting a random unbiased lottery. Families who live within Plaza School district boundaries are enrolled without a lottery process.

Although it is unlikely any siblings will be denied enrollment due to lack of open seats, we will be conducting a lottery for siblings at our December 7th board meeting in case there are additional families we are unaware of at this time or that move into the district before the school year begins. If you have questions or concerns, please see Mr. Conklin.

Orland Pantry Canned Food Drive and Glenn County 4 H Coats for Kids Drive

Our Plaza Student Leadership/Club Live Team volunteered to promote both of these events in order to help serve members of the Glenn County community during the holiday season. If you have any nonperishable, unexpired goods to donate to the Orland Pantry, please have your child bring them to their classroom. Also, classrooms are collecting gently used or new children's sized coats. We will tally items donated between now and the pickup dates. The classroom with the most items collected will be recognized and rewarded!

EVALUATION OF THE SUPERINTENDENT

The Governing Board shall annually conduct a formal evaluation of the Superintendent's performance in order to assess his/her effectiveness in leading the district toward established goals. The Board and Superintendent shall establish an appropriate schedule for the annual evaluation process.

```
(cf. 0000 - Vision)
(cf. 2121 - Superintendent's Contract)
(cf. 9000 - Role of the Board)
```

Evaluation criteria shall be based on district goals and success indicators agreed upon by the Board and Superintendent prior to the evaluation. The evaluation shall provide commendations in areas of strength, provide recommendations for improving effectiveness, and serve as a basis for making decisions about salary increases and/or contract extension.

```
(cf. 2110 - Superintendent Responsibilities and Duties)
```

The Board and Superintendent shall annually consider what evaluation method(s) will best serve the district and agree on the specific written instrument to be used.

Prior to the evaluation, the Superintendent shall submit to the Board a self appraisal of accomplishments and performance toward district goals, and a review of action taken to address any Board recommendations from the previous evaluation. The Board shall also review the Superintendent's current contract and any relevant Board policies.

Each Board member shall independently evaluate the Superintendent's performance. The Board shall determine who will summarize and combine the individual evaluations to create a consensus document and how that consensus document will be formatted. The evaluation shall be a composite of individual Board members' opinions, but there shall be only one final evaluation representing the Board's collective judgment. This final evaluation shall be provided to the Superintendent for his/her response.

The Board shall meet in closed session with the Superintendent to discuss the evaluation. (Government Code 54957)

```
(cf. 9321 - Closed Session Purposes and Agendas)
```

The Superintendent shall have an opportunity to ask questions, respond verbally and in writing to the evaluation, and present additional evidence of his/her performance or district progress.

The Board president and Superintendent shall sign the evaluation as evidence that the evaluation has been discussed. The Superintendent shall place the evaluation in his/her personnel file.

EVALUATION OF THE SUPERINTENDENT (continued)

(cf. 4112.6/4212.6/4312.6 - Personnel Files)

After each evaluation has been completed, the Board shall meet in open session to give the Board and Superintendent an opportunity to jointly identify performance goals for the next year.

Tentative Agreement between Plaza Elementary School District ("District") & Plaza Elementary Teachers Association ("PTA") 2023-24 - 2024-25 School Years

The Parties have convened in joint negotiations and have reached the following Tentative Agreement to reach a final Agreement between the Parties effective through the 2024-2025 school years.

2023-2024

Artilcle 15: Work Day Work Year

The Association agrees to the following additions and changes to the current stipends:

- Teacher in Charge \$1500
- Athletic Director \$750
- Basketball \$1250
- Football/Volleyball \$500
- Environmental camp \$750
- Chess (per person) \$1000

Article 18: Health and Welfare Benefits

The Association proposes a \$3000 increase to the current health and welfare benefits cap for all certificated bargaining unit members retroactive to July 1, 2023, raising the total annual contribution by the district to \$17,500.

2024-2025

Article 14 Salaries:

The Association proposes that the certificated salary schedule, Step 1 Column 1, be increased by funded COLA and distributed throughout beginning July 1, 2024 up to 5%. If COLA is greater than 5% the Association will receive 80% of the excess applied to the certificated salary schedule Step 1 Column 1 and distributed throughout. For the sake of example only, a 10% funded COLA would result in a 9% increase to the certificated salary schedule. If the state budget has not been signed by that date, the eventual funded COLA increase will be retroactive to July 1, 2024. A negative COLA will result in a 0% increase but there will be no reduction to current salaries.

Article 18: Health and Welfare Benefits

The Association agrees to remove re-openers for this article for the 24-25 contract year.
